2013-2014
University of Kansas

Narrative Description:

The University of Kansas (KU) is a major public research and teaching university that serves as a center for learning, scholarship, and creative endeavor. Established in 1866, the University has four principal locations -- the main campus, Lawrence; the Medical Center campus, Kansas City; the School of Medicine Clinical Campus, Wichita; and the Edwards Campus, Overland Park, Kansas.

Of the total Fall 2013 University enrollment of 27,784 students, 24,435 are enrolled at the main campus in Lawrence. The Lawrence campus is located in the heart of the city on a ridge called Mount Oread with more than 150 major buildings. *National Geographic* named KU's main campus one of the nation's most attractive. Jayhawk Boulevard, KU's central thoroughfare, is closed to drive-through traffic during the week; walking and bicycling are favored modes of transportation. Many students also take advantage of the city/campus bus system, which stops at major buildings along Jayhawk Boulevard, other areas of the campus, and travels to areas of the city. The University has over 2,700 faculty and offers over 135 undergraduate, 125 master, and 100 doctorate research/professional degree programs. KU has the only state-supported schools of Law, Medicine, and Pharmacy.

The library system has 12 facilities with over 4.5 million volumes. Special libraries include art and architecture, engineering, science, law, medicine, music, rare books and manuscripts, and regional collections. The Lied Center for the Performing Arts hosts various theatrical productions throughout the year in its 2,020 seat auditorium. Internationally known orchestras, dance troupes, singers, speakers, and Broadway productions have all been part of past event calendars. The oldest portion of the KU Lawrence campus was added to the National Register of Historic Places in 2013. Four campus buildings are also on the National Register of Historic Places. The Museums of Art and Natural History and the Robert J. Dole Institute of Politics are major attractions.

With its world-famous mascot, the Jayhawk, KU belongs to the Big 12 athletic conference. Football and basketball games are popular events. "Late Night in the Phog" kicks off the basketball season and packs Allen Field House with students, faculty, and townspeople. In 1992-93, KU became the first university ever to send teams to a major football bowl, basketball's Final Four, and baseball's College World Series in the same academic year. In 2008, the KU football team won the FedEx Orange Bowl and the men's basketball team won the NCAA championship. KU is only the second university to win major events in both sports in the same academic year. In 2013 the women's track and field team won the NCAA outdoor championship, a first for the women's program.

The University provides a wide range of services for students. On-campus housing options include residence halls, scholarship halls, single and married student apartments. All on-campus housing is wired for high speed internet access and most classroom buildings have wireless. Many students opt for off-campus housing, which is widely available. On campus services available to students include academic language resource center, a CEA accredited Applied English Center, career and employment centers, counseling and psychological center, day care center, disabled student services, financial aid/scholarship office, College of Liberal Arts and Sciences advising center, health center, Honors Program, on campus housing office, international student office, legal services office, money management services, multicultural affairs office and resource center, new student orientation office, Study Abroad office, tutoring services, undergraduate advising center, veterans services office, women's resource center, writing center, and two student unions. Recreation Services sponsors intramural programs and there are many sport clubs. Campus student recreation facilities have aerobic/martial arts studios, cardiovascular and resistance training equipment areas, suspended walking/jogging track, indoor climbing wall, indoor golf simulator, outdoor challenge course, tennis courts, soccer and rugby playing fields, basketball, racquetball, and volleyball courts, swimming pool, bowling alley, and multiple gyms. Student Union Activities sponsors many recreational outings, lectures, concerts, a low cost film series, as well as several free films throughout the year. The Student Involvement and Leadership Center provides information and works with over 580 university-related student organizations -- including academic, arts, cultural/ethnic, environmental, honorary, housing, political (campus and partisan), recreation, religious, service, social, special interest, sports clubs, student government, fraternity and sorority organizations.

With a population of over 89,000, the beautiful city of Lawrence offers a wide range of services including downtown shopping within walking distance of campus, theaters, restaurants, coffee shops, art galleries, recreational facilities, city parks and churches. Clinton Reservoir, 1 mile west of town, provides water sports opportunities. Topeka, the state capital, is 30 miles to the west. Kansas City is 40 miles to the east with many more shopping areas, restaurants, museums, theaters, sporting events, and an international airport.

CDS G0. URL for our net price calculator: <http://affordability.ku.edu/costs/calculator>

CDS G1. 2013-2014 Full-time undergraduate tuition, required fees, room and board rates: The following table lists the typical tuition, required fees and room and board for a full-time undergraduate student for the full academic year (Fall plus Spring semesters). Room and board is defined as double occupancy and meal card. Required fees include only charges that all full-time students must pay that are not included in tuition (e.g., registration, health, or activity fees). Optional fees (e.g., parking permit, bus pass, all sports ticket) are excluded.

Beginning in Fall 2007, entering first-time freshmen enroll under the four-year tuition compact. The compact will fix tuition rates for four years and set course fees and required campus fees in a four-year schedule. These set rates enable the entering freshmen class and their families to accurately estimate the key costs of a four-year degree at the University of Kansas. See Section G 2 for more details. All other undergraduate students (primarily transfer) pay the standard tuition rate.

	First-time Freshmen Four-Year Tuition Compact	Undergraduate Standard Tuition
In-state tuition	\$9,225	\$8,396
