| 5. List of sales to be entered.                                    |   |

Be it enacted by the Governor and Legislative Assembly of the Territory of Kansas, as follows:

SECTION 1. There shall be hereby created and established a fund to support a territorial university for the promotion of literature and of the arts and sciences, to be denominated "The Seminary Fund," which shall consist of all moneys arising from the sale of all lands which may be donated by the congress of the United States for seminary purposes, and all money which may be donated for that purpose from any and all sources, and the interest, dividends, profits and proceeds of such lands and moneys, except such distribution as shall be by law authorized.

SECTION 2. The seminary fund shall be and remain a permanent fund for the promotion of literature and of the arts and sciences, and so much of the income thereof shall be added to and become a part of the fund as shall not be appropriated hereafter by law.

SECTION 3. So much only of the income of the seminary fund shall be appropriated in any year as shall be necessary for the purposes to which the application thereof shall be authorized by law, and the residue shall be added to and become part of the permanent fund, which shall never be lessened or impaired.

SECTION 4. It shall be the duty of the auditor of public accounts to provide and keep in his office a book to be called "The Register of Seminary Lands," in which shall be entered a description of all seminary lands held by the territory, showing the county wherein situate, the range, township and legal subdivisions, arranged with suitable columns; in which shall be noted all sales, by the date, number of acres, price per acre, and total amount of each tract.

SECTION 5. The auditor shall also enter in such book a list of sales hereafter made, showing the particulars of description of lands and the sales thereof, specified in the last preceding section.

SECTION 6. The auditor of public accounts and the treasurer of the territory shall respectively perform like duties and possess the same powers in relation to the seminary lands, fund, and income, as they respectively are or may be required to perform or exercise in relation to common school lands, funds and moneys, and shall account themselves, and shall require others to account to them, in the same manner as in common school lands, funds and moneys, except in cases otherwise provided.

**TABLE 1-101 (continued)**  
**THE ORIGIN OF THE UNIVERSITY OF KANSAS**

SECTION 7. The governor, secretary of the territory and district attorney shall, by virtue of their respective offices, be commissioners of the seminary fund.

SECTION 8. Whenever there shall be in the treasury or elsewhere, subject to the order of the treasurer, any money belonging to the capital of the seminary fund, the auditor shall make report to the commissioners, who shall direct the same to be invested in such public stocks as they shall deem most advantageous to the fund; and the auditor, as soon as it may be advantageously done, shall make the investment accordingly.

SECTION 9. Certificates of stock or bonds shall be taken for such investments in the name of the office of the auditor, in trust for the seminary fund, which trust shall be specially expressed in every such bond or certificate.

SECTION 1. A university is hereby instituted in this territory, the government whereof shall be vested in a board of curators.

SECTION 2. The university is hereby incorporated and created a body politic, and shall be known by the name of "The Curators of the University of the Territory of Kansas," and by that name shall have perpetual succession, power to sue and be sued, complain and defend, in all courts of law and equity; to make and use a common seal, and to alter the same at pleasure; to take, purchase and hold, to sell, convey and otherwise dispose of lands and chattels.

SECTION 3. The number of curators shall be twenty, five of whom shall be chosen at each session of the legislative assembly, by joint vote of the two houses, and may be removed by concurrent resolution of the two houses of the legislative assembly. They shall hold their offices for six years, and until their successors are duly elected and qualified by the governor and secretary of the territory. The district attorney and auditor of public accounts shall be curators by virtue of their several offices.

SECTION 4. No person shall be chosen a curator who shall not have attained the age of twenty-five years, and who shall not be a free white citizen of the United States, and a resident of the territory at the time of his election or appointment.

SECTION 5. Every vacancy happening in the office of a curator, chosen by the legislative assembly, shall be supplied by appointment by the governor until the next meeting of the legislative assembly, and until a successor is duly elected and qualified.

SECTION 6. The curators shall severally take an oath to support the constitution of the United States and faithfully demean themselves in office.

**TABLE 1-101 (continued)**  
**THE ORIGIN OF THE UNIVERSITY OF KANSAS**

SECTION 7. There shall be an annual meeting of the board on the last Wednesday in July, to be holden in the university edifice, or within one mile from the site thereof.

SECTION 8. There shall be a president and a vice president of the board, who shall be chosen by the board from the members thereof; a secretary, treasurer, and such other officers of the board as they may deem necessary, who shall be appointed by the board, and shall hold their offices during the pleasure of the board.

SECTION 9. The president, and, if he be absent, the vice president, and, if both be absent, a curator, chosen for the occasion, shall preside at the meetings of the board, and have a casting vote in case of equal division.

SECTION 10. The president of the board, and, until his election, or, in case of his absence or disability, any three curators, shall have power to call a special meeting of the board at the place of holding the annual meeting; provided, they give timely notice thereof in such form as the board at its annual meeting shall by resolution prescribe, or by printed notice published in some public newspaper of the county at least ten days before the day of the meeting.

SECTION 11. Adjourned meetings of the board may be by them ordered and held at such time and place as shall be by them agreed upon.

SECTION 12. At the annual meetings of the board eight curators shall constitute a board to do business, but five curators attending any special meeting shall constitute a quorum, and at any meeting a less number than a quorum may adjourn from time to time not exceeding eighteen days.

SECTION 13. The secretary shall keep a journal of the proceedings of the board, in which the ayes and nays on all questions shall be entered if requested by any one of the curators present.

SECTION 14. It shall be the duty of the secretary to keep and preserve all records, books and papers belonging to the board; to prepare, under the direction of the board, all their reports, estimates, &c., and record the same in a book to be kept for that purpose; and generally to do and execute all such matters and things as belong to his office, and may be required of him by the curator.

SECTION 15. Each curator shall at all times have access to and be permitted to take copies of any or all of the records, books and papers of the board.

SECTION 16. It shall be the duty of the treasurer to receive, keep and disburse all money belonging to the board, and to perform all customary acts pertaining to his office, under the direction of the curators, and to make report of the same at the annual meeting of the board.

SECTION 17. The curators shall have power to make such bylaws or ordinances, rules and regulations as they may judge most expedient for the accomplishment of the trust reposed in them, and for the government of their officers, and to secure their accountability.

SECTION 18. The curators shall have authority to confer by diploma, under the common seal, on any person whom they may judge worthy thereof, such degrees as are known to and usually granted by any college or university.

SECTION 19. Grants made to the curators for specified uses and purposes shall not be applied, either wholly or in part, to any other uses.

SECTION 20. It shall be the duty of the curators to provide for the protection and improvement of the site of the university as selected and established by law, to erect and continue thereon all edifices designed for the use and accommodation of the officers and students of the university, and to furnish and adapt the same to the uses of the several departments of instruction.

SECTION 21. The curators shall have power, whenever they shall deem it expedient, to appoint a president of the university, and to prescribe, by ordinance, his term of office, and the powers and duties thereof in cases not herein provided for, and to fix his compensation, to be paid out of the income of the seminary fund.

TABLE 1-101 (continued)  
THE ORIGIN OF THE UNIVERSITY OF KANSAS

SECTION 22. It shall be the duty of the president of the university, among other things, to superintend and direct the care and management of the institution, its grounds, library, philosophical and chemical apparatus, mathematical and other scientific instruments; and to make and transmit to the curators, on or before the twenty-first day of July, in every year, a report of the state and condition thereof, containing such particulars as the curators shall require.

SECTION 23. The curators are authorized to appoint the necessary professors and tutors of the university, no one of whom shall exercise the functions of any other profession during his continuance in office, and to fix their compensation and terms of office.

SECTION 24. The auditor of public accounts shall, semi-annually, to wit, on or before the fifteenth day of July and the fifteenth day of January, prepare and transmit to the curators a statement, showing the increase of the seminary fund in the treasury subject to be applied to the support of the university.

SECTION 25. The curators are authorized to cause such semi-annual increase of the funds in the treasury to be deposited in the treasury of the board, by a resolution requiring the auditor to draw his warrant on the treasury, in favor of the person named in such resolution, for the amount in the treasury.

SECTION 26. The salary of each officer of the university shall be payable semi-annually, and it shall be the duty of the president of the board of curators to draw his warrant accordingly on the treasurer of the board, payable to the order of the officer therein named, and bearing interest at the rate of six per centum per annum from the time it is presented to the treasurer of the board for payment till paid.

SECTION 27. The balance of the increase of the seminary fund, after payment of salaries for each current year, shall be applied as follows: First, to the payment of arrears of salaries; second, to provide for library apparatus, cabinet, &c.; third, to improvement of buildings, grounds, &c.; fourth, surplus to be invested as provided for in the first article of this act.

SECTION 28. The university shall, and is hereby declared to be, located in the town of Douglas, on the Kansas river; provided, the proprietors or trustees of said town donate at least ten acres of land, in some eligible part of town, for the site of the university buildings: and that George W. Clark, Paris Ellison and William Johnson are hereby appointed commissioners to select the site of the university buildings, as aforesaid.

This act to take effect and be in force from and after its passage.

CHAPTER 67

STATE UNIVERSITY AT LAWRENCE

An Act to locate the State University.

Be it enacted by the Legislature of the State of Kansas:

SECTION 1. There shall be appointed, by the Governor, three commissioners, whose duty shall be to permanently locate the State University.

SECTION 2. The commissioners thus appointed shall, within thirty days next after their appointment, meet and take the oath of office. Should there be a vacancy for any cause, those present shall notify the Governor that such vacancy exists, stating the cause therefor, if known; on receiving which notice the Governor shall fill such vacancy or vacancies as may exist. So soon as the board of commissioners shall have qualified, by taking the oath of office, they shall immediately proceed to permanently locate the State University at some eligible point in or adjacent to the city of Lawrence. Said location shall

TABLE 1-101 (continued)  
THE ORIGIN OF THE UNIVERSITY OF KANSAS

be made upon a tract of not less than forty acres of land. Said commissioners shall require a good and sufficient title in fee simple with warrantee thereto; Provided, however, That the title of said tract of land shall be procured to the State without cost, and, Provided, further, That there shall be an endowment of said University by or through the citizens of Lawrence, or some one of them, of the sum of fifteen thousand dollars in money, which money shall be deposited with the Treasurer of State within six months next after such location. On failure of such deposit of said sum of money, for such purpose, within six months next after such location, then the location herein authorized, shall be rendered null and void.

SECTION 3. The commissioners shall make a full and impartial report to the Governor of their proceedings, on or before the first day of May, A.D. 1863.

SECTION 4. At the expiration of six months after such location, by such commissioners, the Governor shall issue this his proclamation, declaring said University permanently located, and do all things necessary to the completion of the same; Provided, however, If the fifteen thousand dollars for endowment, mentioned in the second section of this act, shall not have been deposited with the Treasurer of the State, the proclamation shall not issue, and no location be deemed to have been made, by virtue of this act, at Lawrence; but, Provided, further, That should the city of Lawrence fail to comply with the proposition contained in the preceding section, then the State University is hereby located at Emporia, in Lyon county; Provided, An eligible tract of land of not less than eighty acres, adjacent to said town of Emporia, shall be donated, and secured to the State in fee simple, as a site for said University, within twelve months from the taking effect of this act, in which event it shall be the duty of the Governor to issue his proclamation as provided in case said location had been made at Lawrence.

SECTION 5. This act shall take effect and be in force from and after its publication, and the publishing three days in the Topeka State Record shall constitute such publication.

Approved, February 20, 1863.

THOMAS CARNEY,  
Governor.

I hereby certify the foregoing to be a true copy of the enrolled Law on file in my office, and that the same was published in the Daily State Record, for February 21, 1863.

W.W.H. LAWRENCE,  
Secretary of State

CHAPTER 105

ORGANIZING STATE UNIVERSITY.

AN ACT to organize the University of the State of Kansas.

Be it enacted by the Legislature of the State of Kansas:

SECTION 1. There shall be established in this State, at or near the city of Lawrence, in the county of Douglas, on the grounds secured for that purpose, pursuant to the act entitled "An act to locate the State University," passed Feb. 20, 1863, an institution of learning, under the name of the University of Kansas.

SECTION 2. The object of the university shall be to provide the inhabitants of this State with the means of acquiring a thorough knowledge of the various branches of literature, science and the arts.

TABLE 1-101 (continued)  
THE ORIGIN OF THE UNIVERSITY OF KANSAS

SECTION 3. The government of the university shall vest in a board of regents, to consist of a president and twelve members, who shall be appointed as hereinafter provided, and the State Superintendent of Public Instruction and Secretary of State shall also, during their respective terms of office, be ex officio members of said board. A majority of the board shall constitute a quorum for the transaction of business.

SECTION 4. The members of the board of regents shall be appointed by the Governor of the State, by and with the advice and consent of the Senate, two-thirds of the Senators concurring therein, and shall hold their offices respectively, except those appointed to the first board, for the term of six years from the first Monday of September succeeding their appointment, and until the appointment of successor: Provided, that not more than three of the regents to be appointed shall be members of the same religious denomination. Immediately upon the passage of this act, it shall be the duty of the Governor to appoint the members of the first board of regents, four of whom he shall appoint for two, four for four, and four for six years, from the first day of September next; and every second year after the passage of this act, there shall be appointed as aforesaid, for the term of six years, four members of said board whose term of office shall commence on the first day of September after their appointment.

SECTION 5. Whenever (there) shall be a vacancy in the office of regents of the university, from any cause whatever, it shall be the duty of the Governor to fill such office by appointment, and the person or persons so appointed shall continue in office until the close of the Legislature then next thereafter, and until others are appointed in their stead.

SECTION 6. The regents of the university and their successors in office shall constitute a body corporate, with the name and style of the Regents of the University of Kansas, with the right, as such, of suing and being sued, of contracting and being contracted with, of making and using a common seal, and altering the same at pleasure.

SECTION 7. The regents shall appoint a secretary, a treasurer and a librarian, who shall hold their respective offices during the pleasure of the board. It shall be the duty of the secretary to record all the proceedings of the board and carefully to preserve all its books and papers. The treasurer shall keep a true and faithful account of all moneys received and paid out by him, and shall give such bonds for the faithful performance of the duties of his office as the regents may require.

SECTION 8. The regents shall have power, and it shall be their duty to enact laws for the government of the university, to elect a chancellor, who shall be, ex officio, president of the board of regents, or when absent the board may appoint a president pro tem. They may also appoint the requisite number of professors and tutors, and such other officers as they may deem expedient; also determine the amount of their respective salaries.

SECTION 9. There shall be two branches of the university, viz; a male and a female branch. The female branch may be taught exclusively by women, and buildings for that branch shall be entirely separate from the buildings of the male branch. And to establish and maintain the said female branch, the regents shall annually appropriate a sufficient amount of the funds of the university.

SECTION 10. The university shall consist of six departments. First, the department of science, literature and the arts; second, the department of law; third, the department of medicine; fourth, the department of theory and practice of elementary instruction; fifth, the department of agriculture; sixth, the normal department. The immediate government of the several departments shall be entrusted to their respective faculties, but the regents shall have the power to regulate the course of instruction, and prescribe, under the advice of the professorships, the books and authorities to be used in the several departments, and also to confer such degrees and grant such diplomas as are usually conferred and granted by other universities.

SECTION 11. The regents shall have power to remove any officer connected with the institution, when in their judgment the interests require it.

12/78

**TABLE 1-101 (concluded)**  
**THE ORIGIN OF THE UNIVERSITY OF KANSAS**

SECTION 12. The fee of admission to the university shall never exceed ten dollars, and the charge of tuition in the first and fourth departments shall never exceed in one year, to the residents of the State, thirty dollars; and as soon as the increase of the university fund will permit, tuition in those departments shall be without charge to all students in the same who are residents of the State.

SECTION 13. The regents are authorized to expend such portion of the income of the university fund and the fund now on hand as they may deem expedient, for the erection of suitable buildings and the purchase of apparatus, a library and cabinet of natural history: Provided, that before they make any purchase or proceed to the erection of such buildings, they shall submit a plan of the same to the Governor and Secretary of State, which shall be approved by them: And provided further, that before proceeding to erect said university building, or any part thereof, there shall be on hand and provided for, money sufficient to erect and complete an entire section or wing of said building, or a building entire of itself.

SECTION 14. The regents shall make a report annually to the Legislature at its regular session, exhibiting the state and progress of the university in its several departments, the course of study, the number of professors and students, the amount of expenditures, and such other information as they may deem proper. Meetings of the board may be called in such manner as the regents may prescribe, and any seven of them, at a meeting regularly called, shall be a quorum for the transaction of business, and a less number may adjourn from time to time. No sectarian tenets or opinions shall be required to entitle any person to be admitted as a student in said university, and no such tenets or opinions shall be required as a qualification for any person as tutor or professor of said university.

SECTION 15. Nothing herein contained shall be construed as involving the State in any expense in the organization of said university.

SECTION 16. This act to take effect on and after its passage.

Approved, March 1, 1864.

THOMAS CARNEY,  
Governor.

**STATEMENT OF INSTITUTIONAL MISSION**  
**THE UNIVERSITY OF KANSAS**  
December 1992

"The University of Kansas is a major comprehensive research and teaching university that serves as a center for learning, scholarship, and creative endeavor. The University of Kansas is the only Kansas Regents university to hold membership in the prestigious Association of American Universities (AAU), a select group of fifty-eight (now sixty-two) public and private research universities that represent excellence in graduate and professional education and the highest achievements in research internationally.

Lawrence Campus

"Instruction. The University is committed to offering the highest quality undergraduate, professional, and graduate programs comparable to the best obtainable anywhere in the nation. As the AAU research university of the state, the University of Kansas offers a broad array of advanced graduate study programs and fulfills its mission through faculty, academic and research programs of international distinction, and outstanding libraries, teaching museums and information technology. These resources enrich the undergraduate experience and are essential for graduate level education and for research.

"Research. The University attains high levels of research productivity and recognizes that faculty are part of a network of scholars and academicians that shape a discipline as well as teach it. Research and teaching, as practiced at the University of Kansas, are mutually reinforcing with scholarly inquiry underlying and informing the educational experience at undergraduate, professional and graduate levels.

"Service. The University first serves Kansas, then the nation, and the world through research, teaching, and the preservation and dissemination of knowledge. The University provides service to the State of Kansas through its state and federally-funded research centers. KU's academic programs, arts facilities, and public programs provide cultural enrichment opportunities for the larger community. Educational, research and service programs are offered throughout the state including the main campus in Lawrence, the KU health-related degree programs and services in Kansas City and Wichita, as well as the Regents Center and other sites in the Kansas City metropolitan area, Topeka, and Parsons.

"International Dimension. The University is dedicated to preparing its students for lives of learning and for the challenges educated citizens will encounter in an increasingly complex and diverse global community. Over 100 programs of international study and cooperative research are available for KU students and faculty at sites throughout the world. The University offers teaching and research that draw upon and contribute to the most advanced developments throughout the United States and the rest of the world. At the same time, KU's extensive international ties support economic development in Kansas.

"Values. The University is committed to excellence. It fosters a multicultural environment in which the dignity and rights of the individual are respected. Intellectual diversity, integrity, and disciplined inquiry in the search for knowledge are of paramount importance.

STATEMENT OF INSTITUTIONAL MISSION  
THE UNIVERSITY OF KANSAS  
December 1992

University of Kansas Medical Center

"The University of Kansas Medical Center, an integral and unique component of the University of Kansas and the Kansas Board of Regents system, is composed of the School of Medicine, located in Kansas City and Wichita, the School of Nursing, the School of Allied Health, the University of Kansas Hospital in Kansas City, and a Graduate School. The KU Medical Center is a complex institution whose basic functions include research, education, patient care, and community service involving multiple constituencies at state and national levels. The following paragraphs chart the KU Medical Center's course and serve as a framework for assessing programs, setting goals, developing initiatives, and evaluating progress.

"The University of Kansas Medical Center is a major research institution primarily serving the State of Kansas as well as the nation, and the world, and assumes leadership in the discovery of new knowledge and the development of programs in research, education, and patient care. The KU Medical Center recognizes the importance of meeting the wide range of health care needs in Kansas--from the critical need for primary care in rural and other underserved areas of the state, to the urgent need for highly specialized knowledge to provide the latest preventive and treatment techniques available. As the major resource in the Kansas Board of Regents system for preparing health care professionals, the programs of the KU Medical Center must be comprehensive and maintain the high scholarship and academic excellence on which the reputation of the University is based. Our mission is to create an environment for:

Instruction. The KU Medical Center educates health care professionals to primarily serve the needs of Kansas as well as the region and the nation. High quality educational experiences are offered to a diverse student population through a full range of undergraduate, graduate, professional, postdoctoral, and continuing education programs.

Research. The KU Medical Center maintains nationally and internationally recognized research programs to advance the health sciences. Health related research flourishes in a setting that includes strong basic and applied investigations of life processes, inquiries into the normal functions of the human body and mechanisms of disease processes, and model health care programs for the prevention of disease and the maintenance of health and quality of life.

Service. The KU Medical Center provides high quality patient-centered health care and health related services. The University of Kansas Medical Center will be the standard bearer in the development and implementation of model programs that provide the greatest possible diversity of proven health care services for the citizens of Kansas, the region, and the nation."

HOW THE UNIVERSITY OF KANSAS RATES

2. *America's Best Colleges* (U.S. News and World Report, August 2005, web site).

KU is among the top 50 national public universities, say the editors of *U.S. News and World Report*. KU tied for 45<sup>nd</sup> out of 162 national public universities-doctoral. The magazine used academic reputation, retention and graduation rates, and other criteria to determine the rankings of the undergraduate education offered at the nation's great institutions. The following list contains the KU undergraduate programs (level) that have been ranked:

	<u>Public</u>	<u>Total Public Programs Ranked</u>	<u>Overall</u>	<u>Total Overall Programs Ranked</u>	<u>Year</u>
Business (Bachelor)	36 tied	108	57 tied	166	2005
Engineering (Bachelor)	45 tied	75	77 tied	116	2005

3. *Fiske Guide to Colleges 2006*

The 2006 edition of the Fiske Guide to Colleges praises the University of Kansas as one of 14 "best buys" among public universities in the nation. The guide describes KU as "one heck of a deal" and praises several of KU's top-rated academic programs, the teaching abilities and dedication of its faculty, the activism of its student body and the beauty of the Lawrence campus. Each year, Fiske ranks academic, social life, and quality of university life on a scale of one to five stars. KU has scored four stars in each category every year since the first edition of the guide was published in 1982. KU was the only university from Kansas featured in the guide. Several programs are cited for "unusual strength" in preprofessional areas.

**KU is one of:**

- 19 major universities strong in film/television
- 20 public universities strong in architecture
- 28 major universities strong in journalism
- 35 public universities strong in business
- 39 public universities strong in engineering

The guide also highlights biological sciences, environmental studies, nursing, pharmacy, social welfare, premed studies, and Spanish and Portuguese as among KU's strongest programs.

4. *Student Success in College: Creating Conditions That Matter*, written by George D. Kuh, Jillian Kinzie, John H. Schuh, and Elizabeth J. Whitt. Based on the 2004 report called Project DEEP, or Documenting Effective Educational Practice from the Center for Postsecondary Research.

KU is featured as one of 20 universities and colleges nationwide that creates an effective learning environment for students to succeed in their college careers. KU is praised for excelling in five main areas: instruction, service, research, internationalism and humanitarian values. The book also highlights KU's "students come first" attitude in campus life. Over the past decade, the university has "emphasized high-quality undergraduate instruction, the product of deliberate effort to balance its research and teaching missions." The focus on teaching extends to the highest levels of the university's administration, where executive-level administrators, including KU Chancellor Hemenway, teach at least one class each year.

5. *Choosing the Right College 2006: The Whole Truth about America's Top Schools*, published by Intercollegiate Studies Institute.

A college guide book for conservatives that promotes a vigorous education in the classics and humanities lauds KU for offering "one of the best state-school educations now available." "KU has risen steadily in reputation to become, first, one of the top public universities in the Midwest, and now one of the more highly regarded public schools in the nation." KU's Honors Program, significant number of worthy courses offered by serious scholars in the humanities, low tuition rates, infrequent crime, and the beautiful limestone campus received special mention. The guide also mentions Lawrence and the university positively for offering many activities not centered around alcohol consumption.

6. *The Hispanic Outlook in Higher Education* magazine, November 2004 issue

KU has been selected in the 2004 Publishers Picks list of colleges and universities that have a solid record of "recruiting, enabling and graduating Hispanic students." The magazine also named the William Allen White School of Journalism and Mass Communications to its list of top 25 university programs granting the most bachelor's degrees in journalism and mass communications to Hispanics. KU was 19<sup>th</sup> on the list.

7. *The Hispanic Outlook in Higher Education* magazine, May 9, 2005 issue.

KU has been ranked 17<sup>th</sup> in the nation for the number of doctoral degrees awarded to Hispanic students. KU ranked higher than all other Big 12 universities except for the University of Texas.

8. *Hispanic Business*, September 2005 issue.

KU's School of Medicine has been named one of the "Top 10 Medical Schools for Hispanics," ranking 6<sup>th</sup>. The magazine cited the medical school's efforts to reach out to Hispanics in recruitment, support and service. The Office of Cultural Enhancement and Diversity "assists in recruiting a diverse student body, training culturally and clinically skilled physicians, improving access to health care for underserved and special patient populations, and supporting recruitment of a diverse faculty." The medical school earned nearly \$12 million in grants to recruit and retain under-represented minority students and faculty in the next three years.

9. *International Educator*, November/December 2005 issue.

KU has been praised for its commitment to sending students to study outside of America, as well as bringing international students to Kansas. The magazine points out that one-fourth of KU students spend part of their undergraduate education overseas. The article highlights KU's history with the Fulbright program and the University of Costa Rica. KU's Schools of Engineering, and Architecture and Urban Design are highlighted for their commitment to internationalism. Kansas was also noted for having the largest chapter of AIESEC, an international student organization that arranges internships worldwide.

10. Princeton Review's "America's Best Value College" list, April 2004

KU has been named as one of the 77 "Best Value" undergraduate institutions in the nation. KU was also named one of the "Best in the Midwest," one of 150 institutions profiled in the Princeton Review's first edition of "The Best Midwestern Colleges."

Princeton Review has also named the KU business and law schools to its list of best schools in the nation.

11. *Kiplinger's Personal Finance Magazine*, February 2006 issue

KU ranks as one of the 100 best values in public colleges in the nation offering the best combination of high-quality academics and affordable costs. The rankings are based on data for more than 500 public four-year colleges and universities.

12. *America's 100 Best College Buys - 2000* (an annual report published by Institutional Research and Evaluation Inc., an independent research and consulting organization specializing in the recruiting and retention of students for institutions of higher education.)

Low tuition and a freshman class with above-average grade-point averages and test scores have placed KU among the nation's "100 best college buys." The report focused on tuition, GPAs, and ACT test scores of incoming freshmen to determine which colleges and universities provided the highest quality in education at the lowest cost. "A college or university does not have to be expensive to be good," said IRE president Lewis T. Lindsey Jr. "In the 1998-99 school year, students attending one of America's 100 Best College Buys saved an average of \$2,399 over the national average of one year of college." Sixty-three public and 37 private colleges and universities met the requirements for the report, and 37 states were represented.

13. Kaplan's *The Unofficial, Unbiased Insider's Guide to the 320 Most Interesting Colleges*, published in 2002 by Simon & Schuster.

In a nationwide survey of high school guidance counselors, KU was cited as an "excellent and affordable choice for Midwestern students" and a "best value" in the country. Counselors said students told them KU offered "tremendous athletics and a great assortment of majors at a very attractive price." It highlighted the programs in architecture, pre-med studies, nursing, pharmacy, engineering, and journalism as among KU's best. The guide also calls the Spanish and Portuguese programs "exceptional" and lauds KU faculty as "remarkably accessible." KU students "highly recommend KU's honor program for its small classes and caring advisers."

14. *Gourman Reports*

KU supports the Action Committee for Higher Education statement regarding the Gourman Report: "To our knowledge, no higher education association at the national level endorses the report."

<sup>1</sup> Based on majority of SCH taken at the Edwards campus. For example, a student enrolled for 6 hours at the Edwards campus and 3 hours at the Lawrence campus would be counted as an Edwards campus student. A student enrolled in an equal number of hours at both the Edwards campus and the Lawrence campus would be counted as a Lawrence campus student. The same applies for KUMC students.

<sup>2</sup> Includes all students who take a course at the Edwards campus.

\* Data include Lawrence Campus, KU Center for Research, KU Athletic Corporation, KU Union, and Eliminations.

**The above FY 2005 Annual Financial Report (AFR) of the University of Kansas reflects KU fiscal year revenue and expense data which have been prepared and presented according to Generally Accepted Accounting Principles (GAAP), which were established by the Fair Accounting Standards Board (FASB). The AFR uses the accrual basis of accounting, and is sufficiently different from the cash basis of accounting used by the Regents universities budget offices to make the financial data from these two sources noncomparable.**

**All other data in this section of *Profiles* reflect the cash basis of accounting which traditionally has been used in the Kansas Regents system and not GAAP.**

\* Bureau of Economic Analysis (BEA) released comprehensive revised estimates of per capita personal income for 1969-2002 in April 2004.

**Definitions:**

Per Capita Personal Income - personal income is the sum of wage and salary disbursements, other labor income, proprietor's income with inventory valuation and capital consumption adjustments, personal dividend income, personal interest income, and transfer payments to persons, less personal contributions for social insurance. State per capita personal income is calculated as the personal income of residents of the State divided by the population of the State as of July 1.

Median household income - a household consists of all people, related family members and all unrelated people, who occupy a housing unit. Income information is collected on all individuals 15 years and older in the household and combined. Median income is the amount which divides all household income totals into equal groups, half having incomes above the median, half having incomes below the median.

**EXPLANATIONS FOR FOOTNOTES IN THE TABLE**

- <sup>1</sup> There was an increase in the state of Kansas contribution to the unclassified retirement programs from 5% to 6% of salary.
- <sup>2</sup> There was an increase in the state of Kansas contribution to the unclassified retirement programs from 6% to 7% of salary.
- <sup>3</sup> Increase delayed by the Legislature until January 1988 so "annual" increase amounted to half the listed amount. Additionally, there was an increase in the state of Kansas contribution to the unclassified retirement programs from 7% to 8% of salary.
- <sup>4</sup> 1.0% of OOE increase was one-time only.
- <sup>5</sup> 7.3% increase was 5.0% merit and 2.3% Margin of Excellence.
- <sup>6</sup> 7.55% increase was 5.0% merit and 2.55% Margin of Excellence.
- <sup>7</sup> 4.0% increase for unclassified and 2.75% for OOE were first approved by the Legislature then a 1.75% roll back in all General Fund appropriations was approved. KU allocated the net new money as 2.7% for salaries and 1.75% for OOE.
- <sup>8</sup> In August 1991, the Governor implemented a 1% State General Fund reduction. This action lowered the KU base, and funds from sources throughout the University were used to cover the reduction.
- <sup>9</sup> 1% unclassified, 1% classified base increase, and 1% student help delayed by the Legislature until January 1993 so "annual" increase amounted to 3.0%.
- <sup>10</sup> Due to a 1% State General Fund reduction (approximately \$1 million) imposed by the Legislature, only 2.5% of the 4.0% OOE base increase was allocated. The remaining 1.5% of the base increase plus additional funds from the units (approximately \$700,000) were used to cover this reduction.
- <sup>11</sup> Additionally, there was an increase in the state of Kansas contribution to the unclassified retirement programs from 8% to 8.5% of salary, together with requiring an additional employee contribution from 5% to 5.5% of salary.
- <sup>12</sup> 1.5% of the 4.0% was delayed by the Legislature until mid-September. An additional \$1.9 million, which equaled 2.5%, was appropriated for ranked faculty merit pool.
- <sup>13</sup> 1.5% increase was delayed by the Legislature until mid-September.
- <sup>14</sup> 3.5% increase was delayed by University policy until January 1996 so "annual" increase amounted to 1.75%.
- <sup>15</sup> 3.5% passed by the Legislature. 1.75% allocated to units by University policy, balance allocated to University Libraries to meet student help needs.
- <sup>16</sup> 2.5% increase was delayed by the Legislature until January 1997 so "annual" increase amounted to 1.25%.
- <sup>17</sup> The 4.8% increase is comprised of two components: 1) appropriation of 3.5% merit, 2) faculty salary enhancements of 1.3% (KU received \$889,500 of the \$3.4 million appropriated to the Regents for these enhancements.)
- <sup>18</sup> The 5.9% increase is comprised of two components: 1) appropriation of 2.5% merit, 2) faculty salary enhancements of 3.4% (KU received \$2,261,267 of the \$8.4 million appropriated to the Regents for these enhancements.)
- <sup>19</sup> The 6.0% increase is comprised of two components: 1) appropriation of 3.0% merit, of which 1.5% was delayed by the Legislature for 4 ½ months for 9 month faculty, and 6 months for 12 month faculty; 2) faculty salary enhancements of 3.0% (KU received \$2,378,777 of the \$8.4 million appropriated to the Regents for these enhancements.)
- <sup>20</sup> Of the 3.0% increase, 1.5% was effective the beginning of the fiscal year and the remaining 1.5% was delayed by the Legislature until mid-December.
- <sup>21</sup> Graduate teaching assistants new contract included a 10% increase to the merit salary pool for each of three years.
- <sup>22</sup> 1.5% salary increases were delayed by the Legislature until mid-August. Additional tuition enhancement funds were allocated to raise continuing faculty and unclassified nonfaculty salary increases to approximately 3.0%. The student salary base was increased by \$300,000.
- <sup>23</sup> Due to timing of tuition increase approved by Board of Regents, salary increases were delayed until beginning of third pay period, July 4, 2004. Funding sources of merit increase funds: 3.0% - state appropriations and 2% - tuition enhancement funds. An additional 1.0% for tenure/tenure-track faculty from S.B. 345 faculty salary enhancement funds - KU received \$956,417 of the \$3,333,426 appropriated to the Regents for these enhancements.
- <sup>24</sup> Cost of Living effective at the beginning of the fiscal year.
- <sup>25</sup> Plus an additional 7% (for a total of 10%) for GTA pools - consistent with the contract.

**EXPLANATIONS FOR FOOTNOTES IN THE TABLE**

- <sup>26</sup> Tuition enhancement funds are used for technology, department other operating expenditures, faculty startup funds, library, and classroom improvements.
- <sup>27</sup> On July 3, 2005 employees in the Classified Service were moved to a new employee category – University Support Staff (USS). This transition was part of a multi-year process which included an on-campus vote of those in the Classified Service, Legislative Authorization, and approval by the Board of Regents. The major differences between Classified and USS are a) pay rates are no longer linked to a matrix; and b) part of the salary increases will be merit-based. FY 2006 pay rate increases included (1) while the employees remained in the Classified Service, a 1.25% COLA beginning with the first pay period; 2) additional funds to provide a COLA totaling 3% (from the FY 2005 pay matrix) - which was made effective on July 3, 2005 upon conversion into USS; and 3) an additional pool of funds to be used for the merit-based component; sufficient funding was allowed to provide an additional 1.5% increase (average) to be effective with the pay period beginning September 11, 2005.
- <sup>28</sup> Due to timing of tuition increase approved by Board of Regents, salary increases delayed until July 3, 2005, beginning of the third pay period. Funding sources of merit increase funds: 2.5% state appropriations or tuition maintenance increases; 2.0% tuition enhancement funds. An additional 1.0% for tenure/tenure track faculty from faculty salary enhancement funds - KU received \$978,260 of the \$3,333,426 appropriated to the Regents for these enhancements.
- <sup>29</sup> Allocations for student hourly increased by 2.5% for the FY 2006 working budget. Since the GTA contract will be renegotiated during Fall 2005, GTA allocations were not increased for the FY 2006 working budget.
- <sup>30</sup> Additional OOE allocations (from tuition enhancement funds) to be made during FY 2006.

<sup>1</sup> First-time freshmen are defined as first time in college anywhere, U.S. resident, and took ACT within previous two years.

<sup>2</sup> First-time freshmen means first time in college anywhere, or prior spring's high school graduate with some college credit.

<sup>3</sup> Beginning in 1987 KU data were used, not the ACT Profile.

<sup>4</sup> Converted SAT scores are included in the calculation of the ACT mean beginning with the Fall 1995 class.

\* The one-year attrition rate for the first-time freshman class of Fall 1993 (those who did not enroll Fall 1994) climbed to 25.1%. This is an increase of 4.5% from the 1992 one-year attrition rate of 20.6%. This change, in part, can be attributed to the new dismissal policy implemented by the College of Liberal Arts and Sciences. This policy essentially monitors students at the freshman/sophomore level as opposed to the junior/senior level. As such, students who formerly may have been dismissed from the University later in their academic careers are dismissed earlier.

Note: Only full-time students are included. Full-time status is based on initial semester at KU, 12 or more hours.

**TABLE 10-101  
DEFINITIONS**

AAU - Association of American Universities. The University of Kansas is a member of this prestigious group of sixty-two private and public institutions in the U.S. and Canada.

ACT - American College Testing (ACT) Program, admissions test accepted by KU.

Academic Year (AY) - Fall and following Spring semesters.

ASF - Assignable Square Feet. The sum of all areas on all floors of a building assigned to, or available for assignment to, an occupant or specific use. Areas defined as building service (custodial, restrooms, etc.), circulation (public corridors, elevators, stairs), mechanical, and structural are excluded.

Attrition - First-time freshmen students who are not enrolled for subsequent fall terms relative to their initial fall semester at KU. The non-enrollment may be a result of dropping out, transferring to another institution, or delaying degree completion for various reasons. Enrollment status is as of the 20<sup>th</sup> day of classes. Full-time status is based on enrollment of 12 or more hours during the initial semester.

Auxiliary - An auxiliary enterprise furnishes a service directly or indirectly to students, faculty, or staff, and charges a fee related to, but not necessarily equal to, the cost of services. Auxiliary funds include health service, housing system revenue, and parking fees.

CIP - Classification of Instructional Programs. CIP is a taxonomy for instructional programs. It is used in all National Center for Education Statistics surveys and is the accepted government standard for education information surveys.

Classified Personnel - Classified employees are subject to the State of Kansas Civil Service Program. July 3, 2005 KU's Classified employees were moved to a new employee category - University Support Staff.

Educational and General - The budget of the university is composed of eight major categories of activities. The educational program includes Instruction, Academic Support, Student Services, and Institutional Support. The general component includes Physical Plant Operations, Research, Public Service, and Scholarships.

Educational Program - includes Instruction, Academic Support, Student Services, and Institutional Support.

First-time Freshmen - Includes students from the following categories: an entering freshman who has never attended any college; students enrolled in the fall term who attended college for the first time in the prior summer term; and students who entered with advanced standing (college credits earned before graduation from high school).

Fiscal Year (FY) - July 1 through June 30 of the following year.

FTE Faculty and Staff - FTE (full-time equivalent) reflects the percent of time appointed to a position in the university. For example, 100% payroll appointment equals 1.0 FTE. 50% payroll appointment equals .5 FTE.

FTE Students - FTE (full-time equivalent) students is based on student credit hours (SCH) divided by the following divisors: undergraduate SCH by 15, graduate SCH by 9, first-professional (law) by 12.

(continued)

6/06

**TABLE 10-101** (continued)  
DEFINITIONS

Full-time/Part-time Students - Undergraduate students who take 12 or more credit hours are full time. Graduate students taking 9 or more credit hours and law students taking 12 or more credit hours are full time. This is the definition used in reporting information to the U.S. Department of Education.

General Fees - Tuition (fund 099) collected from students, including Journalism differential tuition (fund 091), Fine Arts differential tuition (092), Education differential tuition (093), Engineering equipment fees (094), Architecture differential tuition (095), Business differential tuition (096), PharmD program differential tuition (097), and Law School differential tuition (098). Required campus fees are not included.

General Use - General Use refers to university funding sources and includes state appropriations, student tuition, and interest.

GSF - Gross Square Feet. The sum of all areas on all floors of a building included within the outside faces of its exterior walls. Light wells, or portions of upper floors eliminated by rooms or lobbies that rise above single-floor ceiling height are excluded.

Head Count - Count of individuals (e.g., students, staff, faculty).

HEPI - Higher Education Price Index.

H.O.P.E. - Honors for Outstanding Progressive Educator (H.O.P.E.)--an award presented annually to a KU faculty member by the Senior Class.

IPEDS - Integrated Postsecondary Education Data Systems. IPEDS is a group of web based surveys designed to collect data from all primary providers of postsecondary education. IPEDS is a major component of the postsecondary education data collection program in the U.S. Department of Education's National Center for Education Statistics (NCES).

KU - University of Kansas nickname.

KUCR -The KU Center for Research is the authorized office for the submission and negotiation of proposals for external research support on the Lawrence campus, and for administering the financial side of research awards.

KUMC - University of Kansas Medical Center nickname. On October 1, 1998 the Hospital became an independent hospital authority, separate from the Medical Center.

Off campus - Student is enrolled solely in credit courses taught at locations other than the Lawrence campus.

On campus - Student is enrolled in at least one credit course taught on the Lawrence campus.

OIRP - Office of Institutional Research and Planning.

Other Operating Expenditures (OOE) - Expenditures for supplies, books, equipment; includes all operating nonsalary-related expenditures.

**TABLE 10-101** (concluded)  
DEFINITIONS

Restricted Use - Restricted current funds are those available for financing operations but the use is dependent upon the conditions under which the funds were received. For example, federal grant funds are restricted and are expended only for the purpose for which they were awarded.

Retention - First-time full-time freshmen students who continue to be enrolled for subsequent fall terms relative to their initial fall semester at KU. Enrollment status is as of the 20<sup>th</sup> day of classes. Full-time status is based on enrollment of 12 or more hours during the initial semester.

SAT - Scholastic Aptitude Test, admissions test accepted by KU.

Service Clearing - A service department provides a specific type of service to various institutional departments rather than to individuals and is supported by internal charges to the user department's operating budget. At KU, the usage of the service clearing fund is limited by state statute and Board of Regents authorization. Departments which may use the service clearing fund include the university motor pool, computer service, and telecommunications.

Unclassified Personnel - University employees who are not subject to the State of Kansas Civil Service Program.

University Support Staff - July 3, 2005 employees in the Classified Service were moved to a new category. The main differences between Classified and USS are a) pay rates are no longer linked to a matrix; and b) part of the salary increases will be merit-based.

20th Day - The 20th day of classes when official enrollment counts are taken, known as the census date.
