THE TERRITORY OF KANSAS

Incorporations

CHAPTER 89

An act to incorporate and provide for the institution and support of a University in Kansas territory.

ARTICLE I.

- | | |
|--|---|
| 1. Fund created for the support of a university. | 6. Auditor and treasurer to perform certain duties. |
| 2. To remain a permanent fund for the promotion of literature, &c. | 7. Who shall be commissioners. |
| 3. Portion to be appropriated yearly. | 8. Auditor to make report to commissioners, when. |
| 4. Duty of auditor of public accounts. | 9. Certificates of stock may be taken. |
| 5. List of sales to be entered. | |

Be it enacted by the Governor and Legislative Assembly of the Territory of Kansas,
as follows:

SECTION 1. There shall be hereby created and established a fund to support a territorial university for the promotion of literature and of the arts and sciences, to be denominated "The Seminary Fund," which shall consist of all moneys arising from the sale of all lands which may be donated by the congress of the United States for seminary purposes, and all money which may be donated for that purpose from any and all sources, and the interest, dividends, profits and proceeds of such lands and moneys, except such distribution as shall be by law authorized.

SECTION 2. The seminary fund shall be and remain a permanent fund for the promotion of literature and of the arts and sciences, and so much of the income thereof shall be added to and become a part of the fund as shall not be appropriated hereafter by law.

SECTION 3. So much only of the income of the seminary fund shall be appropriated in any year as shall be necessary for the purposes to which the application thereof shall be authorized by law, and the residue shall be added to and become part of the permanent fund, which shall never be lessened or impaired.

SECTION 4. It shall be the duty of the auditor of public accounts to provide and keep in his office a book to be called "The Register of Seminary Lands," in which shall be entered a description of all seminary lands held by the territory, showing the county wherein situate, the range, township and legal subdivisions, arranged with suitable columns; in which shall be noted all sales, by the date, number of acres, price per acre, and total amount of each tract.

SECTION 5. The auditor shall also enter in such book a list of sales hereafter made, showing the particulars of description of lands and the sales thereof, specified in the last preceding section.

SECTION 6. The auditor of public accounts and the treasurer of the territory shall respectively perform like duties and possess the same powers in relation to the seminary lands, fund, and income, as they respectively are or may be required to perform or exercise in relation to common school lands, funds and moneys, and shall account themselves, and shall require others to account to them, in the same manner as in common school lands, funds and moneys, except in cases otherwise provided.

TABLE 1-101 (continued)
THE ORIGIN OF THE UNIVERSITY OF KANSAS

SECTION 7. The governor, secretary of the territory and district attorney shall, by virtue of their respective offices, be commissioners of the seminary fund.

SECTION 8. Whenever there shall be in the treasury or elsewhere, subject to the order of the treasurer, any money belonging to the capital of the seminary fund, the auditor shall make report to the commissioners, who shall direct the same to be invested in such public stocks as they shall deem most advantageous to the fund; and the auditor, as soon as it may be advantageously done, shall make the investment accordingly.

SECTION 9. Certificates of stock or bonds shall be taken for such investments in the name of the office of the auditor, in trust for the seminary fund, which trust shall be specially expressed in every such bond or certificate.

ARTICLE II.

SECTION 1. A university is hereby instituted in this territory, the government whereof shall be vested in a board of curators.

SECTION 2. The university is hereby incorporated and created a body politic, and shall be known by the name of "The Curators of the University of the Territory of Kansas," and by that name shall have perpetual succession, power to sue and be sued, complain and defend, in all courts of law and equity; to make and use a common seal, and to alter the same at pleasure; to take, purchase and hold, to sell, convey and otherwise dispose of lands and chattels.

SECTION 3. The number of curators shall be twenty, five of whom shall be chosen at each session of the legislative assembly, by joint vote of the two houses, and may be removed by concurrent resolution of the two houses of the legislative assembly. They shall hold their offices for six years, and until their successors are duly elected and qualified by the governor and secretary of the territory. The district attorney and auditor of public accounts shall be curators by virtue of their several offices.

SECTION 4. No person shall be chosen a curator who shall not have attained the age of twenty-five years, and who shall not be a free white citizen of the United States, and a resident of the territory at the time of his election or appointment.

SECTION 5. Every vacancy happening in the office of a curator, chosen by the legislative assembly, shall be supplied by appointment by the governor until the next meeting of the legislative assembly, and until a successor is duly elected and qualified.

SECTION 6. The curators shall severally take an oath to support the constitution of the United States and faithfully demean themselves in office.

TABLE 1-101 (continued)
THE ORIGIN OF THE UNIVERSITY OF KANSAS

SECTION 7. There shall be an annual meeting of the board on the last Wednesday in July, to be holden in the university edifice, or within one mile from the site thereof.

SECTION 8. There shall be a president and a vice president of the board, who shall be chosen by the board from the members thereof; a secretary, treasurer, and such other officers of the board as they may deem necessary, who shall be appointed by the board, and shall hold their offices during the pleasure of the board.

SECTION 9. The president, and, if he be absent, the vice president, and, if both be absent, a curator, chosen for the occasion, shall preside at the meetings of the board, and have a casting vote in case of equal division.

SECTION 10. The president of the board, and, until his election, or, in case of his absence or disability, any three curators, shall have power to call a special meeting of the board at the place of holding the annual meeting; provided, they give timely notice thereof in such form as the board at its annual meeting shall by resolution prescribe, or by printed notice published in some public newspaper of the county at least ten days before the day of the meeting.

SECTION 11. Adjourned meetings of the board may be by them ordered and held at such time and place as shall be by them agreed upon.

SECTION 12. At the annual meetings of the board eight curators shall constitute a board to do business, but five curators attending any special meeting shall constitute a quorum, and at any meeting a less number than a quorum may adjourn from time to time not exceeding eighteen days.

SECTION 13. The secretary shall keep a journal of the proceedings of the board, in which the ayes and nays on all questions shall be entered if requested by any one of the curators present.

SECTION 14. It shall be the duty of the secretary to keep and preserve all records, books and papers belonging to the board; to prepare, under the direction of the board, all their reports, estimates, &c., and record the same in a book to be kept for that purpose; and generally to do and execute all such matters and things as belong to his office, and may be required of him by the curator.

SECTION 15. Each curator shall at all times have access to and be permitted to take copies of any or all of the records, books and papers of the board.

SECTION 16. It shall be the duty of the treasurer to receive, keep and disburse all money belonging to the board, and to perform all customary acts pertaining to his office, under the direction of the curators, and to make report of the same at the annual meeting of the board.

SECTION 17. The curators shall have power to make such bylaws or ordinances, rules and regulations as they may judge most expedient for the accomplishment of the trust reposed in them, and for the government of their officers, and to secure their accountability.

SECTION 18. The curators shall have authority to confer by diploma, under the common seal, on any person whom they may judge worthy thereof, such degrees as are known to and usually granted by any college or university.

SECTION 19. Grants made to the curators for specified uses and purposes shall not be applied, either wholly or in part, to any other uses.

SECTION 20. It shall be the duty of the curators to provide for the protection and improvement of the site of the university as selected and established by law, to erect and continue thereon all edifices designed for the use and accommodation of the officers and students of the university, and to furnish and adapt the same to the uses of the several departments of instruction.

SECTION 21. The curators shall have power, whenever they shall deem it expedient, to appoint a president of the university, and to prescribe, by ordinance, his term of office, and the powers and duties thereof in cases not herein provided for, and to fix his compensation, to be paid out of the income of the seminary fund.

TABLE 1-101 (continued)
THE ORIGIN OF THE UNIVERSITY OF KANSAS

SECTION 22. It shall be the duty of the president of the university, among other things, to superintend and direct the care and management of the institution, its grounds, library, philosophical and chemical apparatus, mathematical and other scientific instruments; and to make and transmit to the curators, on or before the twenty-first day of July, in every year, a report of the state and condition thereof, containing such particulars as the curators shall require.

SECTION 23. The curators are authorized to appoint the necessary professors and tutors of the university, no one of whom shall exercise the functions of any other profession during his continuance in office, and to fix their compensation and terms of office.

SECTION 24. The auditor of public accounts shall, semi-annually, to wit, on or before the fifteenth day of July and the fifteenth day of January, prepare and transmit to the curators a statement, showing the increase of the seminary fund in the treasury subject to be applied to the support of the university.

SECTION 25. The curators are authorized to cause such semi-annual increase of the funds in the treasury to be deposited in the treasury of the board, by a resolution requiring the auditor to draw his warrant on the treasury, in favor of the person named in such resolution, for the amount in the treasury.

SECTION 26. The salary of each officer of the university shall be payable semi-annually, and it shall be the duty of the president of the board of curators to draw his warrant accordingly on the treasurer of the board, payable to the order of the officer therein named, and bearing interest at the rate of six per centum per annum from the time it is presented to the treasurer of the board for payment till paid.

SECTION 27. The balance of the increase of the seminary fund, after payment of salaries for each current year, shall be applied as follows: First, to the payment of arrears of salaries; second, to provide for library apparatus, cabinet, &c.; third, to improvement of buildings, grounds, &c.; fourth, surplus to be invested as provided for in the first article of this act.

SECTION 28. The university shall, and is hereby declared to be, located in the town of Douglas, on the Kansas river; provided, the proprietors or trustees of said town donate at least ten acres of land, in some eligible part of town, for the site of the university buildings: and that George W. Clark, Paris Ellison and William Johnson are hereby appointed commissioners to select the site of the university buildings, as aforesaid.

This act to take effect and be in force from and after its passage.

CHAPTER 67

STATE UNIVERSITY AT LAWRENCE

An Act to locate the State University.

Be it enacted by the Legislature of the State of Kansas:

SECTION 1. There shall be appointed, by the Governor, three commissioners, whose duty shall be to permanently locate the State University.

SECTION 2. The commissioners thus appointed shall, within thirty days next after their appointment, meet and take the oath of office. Should there be a vacancy for any cause, those present shall notify the Governor that such vacancy exists, stating the cause therefor, if known; on receiving which notice the Governor shall fill such vacancy or vacancies as may exist. So soon as the board of commissioners shall have qualified, by taking the oath of office, they shall immediately proceed to permanently locate the State University at some eligible point in or adjacent to the city of Lawrence. Said location shall

12/78

THE ORIGIN OF THE UNIVERSITY OF KANSAS

be made upon a tract of not less than forty acres of land. Said commissioners shall require a good and sufficient title in fee simple with warrantee thereto; Provided, however, That the title of said tract of land shall be procured to the State without cost, and, Provided, further, That there shall be an endowment of said University by or through the citizens of Lawrence, or some one of them, of the sum of fifteen thousand dollars in money, which money shall be deposited with the Treasurer of State within six months next after such location. On failure of such deposit of said sum of money, for such purpose, within six months next after such location, then the location herein authorized, shall be rendered null and void.

SECTION 3. The commissioners shall make a full and impartial report to the Governor of their proceedings, on or before the first day of May, A.D. 1863.

SECTION 4. At the expiration of six months after such location, by such commissioners, the Governor shall issue this his proclamation, declaring said University permanently located, and do all things necessary to the completion of the same; Provided, however, If the fifteen thousand dollars for endowment, mentioned in the second section of this act, shall not have been deposited with the Treasurer of the State, the proclamation shall not issue, and no location be deemed to have been made, by virtue of this act, at Lawrence; but, Provided, further, That should the city of Lawrence fail to comply with the proposition contained in the preceding section, then the State University is hereby located at Emporia, in Lyon county; Provided, An eligible tract of land of not less than eighty acres, adjacent to said town of Emporia, shall be donated, and secured to the State in fee simple, as a site for said University, within twelve months from the taking effect of this act, in which event it shall be the duty of the Governor to issue his proclamation as provided in case said location had been made at Lawrence.

SECTION 5. This act shall take effect and be in force from and after its publication, and the publishing three days in the Topeka State Record shall constitute such publication.

Approved, February 20, 1863.

THOMAS CARNEY,
Governor.

I hereby certify the foregoing to be a true copy of the enrolled Law on file in my office, and that the same was published in the Daily State Record, for February 21, 1863.

W.W.H. LAWRENCE,
Secretary of State

CHAPTER 105

ORGANIZING STATE UNIVERSITY.

AN ACT to organize the University of the State of Kansas.

Be it enacted by the Legislature of the State of Kansas:

SECTION 1. There shall be established in this State, at or near the city of Lawrence, in the county of Douglas, on the grounds secured for that purpose, pursuant to the act entitled "An act to locate the State University," passed Feb. 20, 1863, an institution of learning, under the name of the University of Kansas.

SECTION 2. The object of the university shall be to provide the inhabitants of this State with the means of acquiring a thorough knowledge of the various branches of literature, science and the arts.

TABLE 1-101 (continued)
THE ORIGIN OF THE UNIVERSITY OF KANSAS

SECTION 3. The government of the university shall vest in a board of regents, to consist of a president and twelve members, who shall be appointed as hereinafter provided, and the State Superintendent of Public Instruction and Secretary of State shall also, during their respective terms of office, be ex officio members of said board. A majority of the board shall constitute a quorum for the transaction of business.

SECTION 4. The members of the board of regents shall be appointed by the Governor of the State, by and with the advice and consent of the Senate, two-thirds of the Senators concurring therein, and shall hold their offices respectively, except those appointed to the first board, for the term of six years from the first Monday of September succeeding their appointment, and until the appointment of successor: Provided, that not more than three of the regents to be appointed shall be members of the same religious denomination. Immediately upon the passage of this act, it shall be the duty of the Governor to appoint the members of the first board of regents, four of whom he shall appoint for two, four for four, and four for six years, from the first day of September next; and every second year after the passage of this act, there shall be appointed as aforesaid, for the term of six years, four members of said board whose term of office shall commence on the first day of September after their appointment.

SECTION 5. Whenever (there) shall be a vacancy in the office of regents of the university, from any cause whatever, it shall be the duty of the Governor to fill such office by appointment, and the person or persons so appointed shall continue in office until the close of the Legislature then next thereafter, and until others are appointed in their stead.

SECTION 6. The regents of the university and their successors in office shall constitute a body corporate, with the name and style of the Regents of the University of Kansas, with the right, as such, of suing and being sued, of contracting and being contracted with, of making and using a common seal, and altering the same at pleasure.

SECTION 7. The regents shall appoint a secretary, a treasurer and a librarian, who shall hold their respective offices during the pleasure of the board. It shall be the duty of the secretary to record all the proceedings of the board and carefully to preserve all its books and papers. The treasurer shall keep a true and faithful account of all moneys received and paid out by him, and shall give such bonds for the faithful performance of the duties of his office as the regents may require.

SECTION 8. The regents shall have power, and it shall be their duty to enact laws for the government of the university, to elect a chancellor, who shall be, ex officio, president of the board of regents, or when absent the board may appoint a president pro tem. They may also appoint the requisite number of professors and tutors, and such other officers as they may deem expedient; also determine the amount of their respective salaries.

SECTION 9. There shall be two branches of the university, viz; a male and a female branch. The female branch may be taught exclusively by women, and buildings for that branch shall be entirely separate from the buildings of the male branch. And to establish and maintain the said female branch, the regents shall annually appropriate a sufficient amount of the funds of the university.

SECTION 10. The university shall consist of six departments. First, the department of science, literature and the arts; second, the department of law; third, the department of medicine; fourth, the department of theory and practice of elementary instruction; fifth, the department of agriculture; sixth, the normal department. The immediate government of the several departments shall be entrusted to their respective faculties, but the regents shall have the power to regulate the course of instruction, and prescribe, under the advice of the professorships, the books and authorities to be used in the several departments, and also to confer such degrees and grant such diplomas as are usually conferred and granted by other universities.

SECTION 11. The regents shall have power to remove any officer connected with the institution, when in their judgment the interests require it.

12/78

TABLE 1-101 (concluded)
THE ORIGIN OF THE UNIVERSITY OF KANSAS

SECTION 12. The fee of admission to the university shall never exceed ten dollars, and the charge of tuition in the first and fourth departments shall never exceed in one year, to the residents of the State, thirty dollars; and as soon as the increase of the university fund will permit, tuition in those departments shall be without charge to all students in the same who are residents of the State.

SECTION 13. The regents are authorized to expend such portion of the income of the university fund and the fund now on hand as they may deem expedient, for the erection of suitable buildings and the purchase of apparatus, a library and cabinet of natural history: Provided, that before they make any purchase or proceed to the erection of such buildings, they shall submit a plan of the same to the Governor and Secretary of State, which shall be approved by them: And provided further, that before proceeding to erect said university building, or any part thereof, there shall be on hand and provided for, money sufficient to erect and complete an entire section or wing of said building, or a building entire of itself.

SECTION 14. The regents shall make a report annually to the Legislature at its regular session, exhibiting the state and progress of the university in its several departments, the course of study, the number of professors and students, the amount of expenditures, and such other information as they may deem proper. Meetings of the board may be called in such manner as the regents may prescribe, and any seven of them, at a meeting regularly called, shall be a quorum for the transaction of business, and a less number may adjourn from time to time. No sectarian tenets or opinions shall be required to entitle any person to be admitted as a student in said university, and no such tenets or opinions shall be required as a qualification for any person as tutor or professor of said university.

SECTION 15. Nothing herein contained shall be construed as involving the State in any expense in the organization of said university.

SECTION 16. This act to take effect on and after its passage.

Approved, March 1, 1864.

THOMAS CARNEY,
Governor.

TABLE 1-115
STATEMENT OF INSTITUTIONAL MISSION
THE UNIVERSITY OF KANSAS
December 1992

"The University of Kansas is a major comprehensive research and teaching university that serves as a center for learning, scholarship, and creative endeavor. The University of Kansas is the only Kansas Regents university to hold membership in the prestigious Association of American Universities (AAU), a select group of fifty-eight (now sixty-two) public and private research universities that represent excellence in graduate and professional education and the highest achievements in research internationally.

Lawrence Campus

"Instruction. The University is committed to offering the highest quality undergraduate, professional, and graduate programs comparable to the best obtainable anywhere in the nation. As the AAU research university of the state, the University of Kansas offers a broad array of advanced graduate study programs and fulfills its mission through faculty, academic and research programs of international distinction, and outstanding libraries, teaching museums and information technology. These resources enrich the undergraduate experience and are essential for graduate level education and for research.

"Research. The University attains high levels of research productivity and recognizes that faculty are part of a network of scholars and academicians that shape a discipline as well as teach it. Research and teaching, as practiced at the University of Kansas, are mutually reinforcing with scholarly inquiry underlying and informing the educational experience at undergraduate, professional and graduate levels.

"Service. The University first serves Kansas, then the nation, and the world through research, teaching, and the preservation and dissemination of knowledge. The University provides service to the State of Kansas through its state and federally-funded research centers. KU's academic programs, arts facilities, and public programs provide cultural enrichment opportunities for the larger community. Educational, research and service programs are offered throughout the state including the main campus in Lawrence, the KU health-related degree programs and services in Kansas City and Wichita, as well as the Regents Center and other sites in the Kansas City metropolitan area, Topeka, and Parsons.

"International Dimension. The University is dedicated to preparing its students for lives of learning and for the challenges educated citizens will encounter in an increasingly complex and diverse global community. Over 100 programs of international study and cooperative research are available for KU students and faculty at sites throughout the world. The University offers teaching and research that draw upon and contribute to the most advanced developments throughout the United States and the rest of the world. At the same time, KU's extensive international ties support economic development in Kansas.

"Values. The University is committed to excellence. It fosters a multicultural environment in which the dignity and rights of the individual are respected. Intellectual diversity, integrity, and disciplined inquiry in the search for knowledge are of paramount importance.

Lawrence approved by the Kansas Board of Regents December 1992.

STATEMENT OF INSTITUTIONAL MISSION
THE UNIVERSITY OF KANSAS
Revised March 2011

University of Kansas Medical Center

The University of Kansas Medical Center is an integral and unique component of the University of Kansas and the Kansas Board of Regents system. It is composed of:

- School of Medicine -- Kansas City, Wichita and Salina campuses
- School of Nursing
- School of Allied Health

The KU Medical Center trains professionals to meet a wide range of health needs in Kansas – from the critical need for primary care and prevention to the urgent need for highly innovative and specialized clinical care. Further, the Medical Center produces medical scientists who are essential for basic and translational research, supplying the state's bioscience and biotech workforce and creating economic development. The KU Medical Center serves people throughout the state of Kansas and the region, in rural as well as urban areas. The programs of the KU Medical Center are comprehensive and maintain the high scholarship and academic excellence upon which the University's reputation is based. The KU Medical Center's mission is to create an environment for:

Education. The KU Medical Center educates health care professionals to primarily serve the needs of Kansas as well as the region and the nation. The Medical Center offers high-quality educational experiences to a diverse student population through a full range of undergraduate, graduate, professional, postdoctoral and continuing education programs.

Research. The KU Medical Center strives to advance the health sciences through internationally recognized research programs in strong basic, clinical, and translational sciences, as well as drug discovery, health services research and public health.

Patient Care. The KU Medical Center provides exceptional patient care with a focus on quality care and outcomes through hands-on student training, residency programs, affiliations with hospitals and clinics throughout the state, Telemedicine and Telehealth consultations, and student- and faculty-operated clinics to care for the underserved and uninsured.

Service. The KU Medical Center serves the citizens of Kansas, the region and the nation by developing, implementing and promoting model health care programs, and through numerous charitable, philanthropic and mission-oriented endeavors.

TABLE 1-118
KANSAS REGENTS SYSTEM MISSION STATEMENTS

Kansas Board of Regents

The Kansas Board of Regents shall pursue measurable continuous improvement in the quality and effectiveness of the public postsecondary educational system in Kansas, while expanding participation for all qualified Kansans. To achieve that mission, the Board will demand accountability, focus resources, and advocate powerfully.

State of Kansas Public University and College System

The Kansas Board of Regents governs six state universities and coordinates one municipal university, nineteen community colleges and six technical colleges. The Board of Regents' purpose is to support this diverse group of public higher education institutions, each of which contributes to the social and economic well-being of Kansas and its citizens, and each of which seeks excellence. The Board fosters rigor, accountability and transparency, guards against unnecessary duplication in programming and operations, and brings unity and seamlessness to the system.

The mission of the Kansas public university and college system is to meet the educational needs of a diverse population and multifaceted society by providing teaching, research and service appropriate to the respective missions of the institutions. Those institutions provide education in liberal arts and the professions from the associate through the doctoral level, as well as a range of professional certifications. The system provides broad and affordable access to higher education, prepares students for the workforce and for life, and benefits the State as a whole through economic growth, research contributions, and advancing other aspirational goals of each institution.

8. National League of Nursing, July 14, 2014, web site.

The KU School of Nursing has been designated a Center of Excellence in Nursing Education. KU is the only nursing school in the region and one of just 29 nursing schools in the country to currently hold the designation. The designation was granted for demonstrating sustained, evidence-based and substantive innovation in the category of "Creating Environments that Enhance Student Learning and Professional Development."

9. National Student Show, Dallas Society of Visual Communications, May 16, 2014.

The KU Department of Design was named Best School, the third year in a row the department has won the show's top academic award. KU students authored 70 of the 200 works selected for the exhibition. Judges chose KU work as "Best" in 10 classes, including Best Sophomore and Junior Portfolio awards. Two student projects received Judges Choice Awards. The National Student Show is the only graphic arts event in the U.S. where entries are limited to student work.

10. The Princeton Review, "The Best 296 Business Schools: 2013 Edition."

The KU School of Business master's of business administration program is included in the Best Business Schools edition. Over 19,000 students in MBA programs around the world were surveyed for the edition.

11. CollegeMagazine.com, "Top 10 Journalism Schools," March 12, 2012, web site.

The KU School of Journalism is one of the top 10 journalism schools in the nation. "KU is one of the few schools with a journalism program that encompasses everything from traditional print to multimedia to photojournalism. Students are granted responsibilities such as maintaining on campus media including the award-winning *University Daily Kansan* and KUJH TV."

12. The Princeton Review, "The Best 168 Law Schools: 2013 Edition."

The KU School of Law is included in the Best Law Schools edition. Over 18,000 Law students were surveyed for the edition.

13. American Association of Colleges of Pharmacy, Spring 2013.

KU School of Pharmacy ranked 2nd in the nation in National Institutes of Health funding. KU received more than \$25 million in NIH research funding in FY 2012. This marks the 12th consecutive year the school has been ranked in the top five. KU is the only Big 12 institution in the top 10. The School of Pharmacy also ranked 1st in the value of awards per funded faculty member, more than \$1 million each.

14. American Society of Health-System Pharmacists, Residency Match Program, June 2014.

KU School of Pharmacy ranks 19th among all schools of pharmacy in percentage of students accepted to post-graduate residency positions in 2014. KU ranks 16th nationwide in the number of students matched.

15. *Fiske Guide to Colleges*, 2014 edition.

The 2014 edition of the Fiske Guide to Colleges stated "KU's academic value is hard to beat. With nearly 50 nationally ranked academic programs, Kansas' reputation continues to grow. Comprehensive study abroad programs, extensive undergraduate research opportunities and a thriving social scene are just some of the reasons students choose to be a Jayhawk." Several programs are cited: architecture, business, honors program, journalism, and Mount Oread Scholars. Each year, Fiske ranks academic, social life, and quality of university life on a scale of one to five stars. KU has scored four stars in each category every year since the first edition of the guide was published in 1982.

16. GraduatePrograms.com, "Fall 2013 Graduate School Rankings," website.

GraduatePrograms.com surveys current and recent graduate students about their programs. They assign fifteen ranking categories to each graduate program. Rankings cover a variety of student topics, such as academic competitiveness, career support, financial aid, and quality of network. Program ranks are based on average scores of the fifteen categories. The following KU graduate programs were ranked by students:

<u>Program</u>	<u>Rank</u>
Public Affairs	1
Education	5
Anthropology	6
Sociology	14
Social Work	20
Business	21
Physics	22
Architecture	25
Engineering	32

17. The Princeton Review, *The Best 378 Colleges: 2014 Edition*, August 2013.

KU has been named one of the country's best institutions for undergraduate education. The profile said KU offers "outstanding academics, a real emphasis on undergraduate teaching, one of the best study abroad programs in the nation, research opportunities, a diverse student body, and affordable tuition." KU ranked 6th for the best college newspaper, 19th for best college radio station, 6th for students packing the stadiums, and Lawrence ranked 11th as a great college town.

18. *Choosing the Right College 2014-15; The Inside Scoop on Elite Schools and Outstanding Lesser Known Institutions*, August 2013.

KU is listed as one of the Blue Collar Ivies, where students can get an elite education on a shoestring. KU's Honors program, Study Abroad, plentiful foreign language offerings, and Center for Teaching Excellence are sited. KU is the only school from Kansas listed in the book.

19. The Alumni Factor, September 2012, web site.

KU ranks 41st among national universities in the Alumni Factor rankings. KU ranked 7th among nationals and 12th among all schools in graduate's overall assessment. KU ranks 15th among nationals in happiest graduates in the country, 34th overall. The Alumni Factor contacts alumni aged 24 and above, surveying them on 13 attributes. Two additional attributes - graduation rate and alumni giving percentage are obtained from other sources.

20. Public University Press, "A Review of Fifty Public University Honors Programs." April 18, 2012.

The KU Honors Program was selected as one of the 50 top public university honors programs in 2012. KU ranked 2nd for combined quality of its "honors benefits," study abroad, housing, and priority registration. KU ranked 5th in "excellence impact." KU ranked 6th in the attainment of prestigious scholarships - "far above the median in winning Rhodes, Truman, Udall, Goldwater scholarships, especially Rhodes and Goldwater awards." KU ranked 8th for study abroad.

21. Business Research Guide, "Best Colleges and Universities to Work For," May 17, 2012.

KU is ranked #1 in "the best colleges and universities to work for" ranking. Most noted was the university's high value placed on input from faculty in decision making processes and internal communications. Also noted was an emphasis on work-life balance that allows faculty and staff to manage their personal responsibilities in conjunction with work responsibilities.

HOW THE UNIVERSITY OF KANSAS RATES

22. *Military Advanced Education* magazine, "2014 Guide to Military-Friendly Colleges and Universities."

KU has been named to a select list of "military-friendly colleges and universities." KU was honored for having staff trained in military needs, advisors able to provide support to military students, awarding credit for military training, offering support and tuition discounts to military family members, having an online distance learning program, veteran's organization and center, and on-campus child care.

23. *Military Times*, "Best for Vets: Colleges 2014," web site.

KU ranks 23rd in the 4-year college category for being the best college for military veterans. This year's methodology placed new emphasis on academic rigor and factored in statistics used to track student success and academic quality.

24. Collaborative on Academic Careers in Higher Education, November 2010.

KU is among nine public doctoral/research universities listed as best in the nation for junior faculty. KU was also one of five universities cited as an "exemplar" for its clarity of institutional expectations for tenure. KU is the only institution in the Big 12 Conference and the state of Kansas cited by the report. The report was based on a survey of 15,000 pre-tenure faculty at 127 U.S. colleges.

25. Corporation for National and Community Service, "President's Higher Education Community Service Honor Roll", March 2013.

KU has been named to the honor roll with distinction. The honor roll is the highest federal recognition of a university's commitment to service learning, volunteering and civic engagement. This is KU's first year to be recognized with distinction and seventh consecutive year on the honor roll.

26. Carnegie Foundation for the Advancement of Teaching, 2010 Community Engagement Classification.

KU has been recognized for its outstanding commitment to and involvement with the community by being selected as one of 115 institutions for the Community Engagement Classification. To be selected, KU had to provide examples of community engagement that showed alignment among mission, culture, leadership resources and practices.

27. *Student Success in College: Creating Conditions That Matter*, written by George D. Kuh, Jillian Kinzie, John H. Schuh, and Elizabeth J. Whitt. Based on the 2004 report called Project DEEP, or Documenting Effective Educational Practice from the Center for Postsecondary Research.

KU is featured as one of 20 universities and colleges nationwide that creates an effective learning environment for students to succeed in their college careers. KU is praised for excelling in five main areas: instruction, service, research, internationalism and humanitarian values. The book also highlights KU's "students come first" attitude in campus life. Over the past decade, the university has "emphasized high-quality undergraduate instruction, the product of deliberate effort to balance its research and teaching missions." The focus on teaching extends to the highest levels of the university's administration, where executive-level administrators teach at least one class each year.

28. Associated Collegiate Press, November 2013, web site.

The University Daily Kansan's online news site, Kansan.com has received the 2013 Online Pacemaker award, the ACP's highest honor. This is the seventh straight year the KU online publication has won the award.

³ The Accreditation Board for Engineering and Technology, Inc. notes: "The various periods or terms of accreditation do not represent a relative ranking of programs in terms of quality. At no point is an institution allowed to publish or imply the term or period of accreditation. Public announcement of the accreditation should only relate to the attainment of accredited status."

⁴ In 2014 Chemical and Petroleum Engineering must report on the status of chemistry and unit operations teaching labs. Chemistry labs have been updated, and the unit operations lab is currently being built in the Engineering Expansion project.

⁵ Accrediting Council on Education in Journalism and Mass Communication accreditation occurs in an academic year, next accreditation scheduled for AY 2016-2017.

⁶ American Bar Association (ABA) and Association of American Law Schools (AALS) site visit occurred March 10-13, 2013. KU Law School found in compliance with the obligations of membership to AALS. ABA final report expected January 2014.

Notes: "Cont. Accred." or "Continued Accreditation" is used when a program has previously been accredited and was re-accredited without a break in status.
 "Accredited" is used when a program experienced a change in accreditation status (such as coming off probationary status.)
 "Init. Accred." or "Initial Accreditation" is used when a program was not previously accredited.

Footnotes:

- ¹ The Medical Laboratory Scientist program equates to the Clinical concentration of the Clinical Laboratory Sciences major; the Diagnostic Molecular Scientist program equates to the Molecular Biotechnology concentration of the major.
- ² Accrediting agency moved site visit from 2011 to 2015.
- ³ The Certified Registered Nurse Anesthetist (CRNA) Program moved to the DNP level in July 2012 and was granted accredited status under the original umbrella covering the MS program.
- ⁴ Site visit scheduled for March 2014.
- ⁵ Site visit occurred in October 2013. Reaccreditation is pending official notification, February 2014.
- ⁶ The Kansas Board of Nursing schedules its site visit at the same time as the accrediting body, The Commission on Collegiate Nursing Education. Programs are approved for the same length of time as the CCNE accreditation.
- ⁷ No accreditation is currently available for the program.
- ⁸ This program falls under the Next Accreditation System (NAS) of the ACGME. The ACGME are now using a continuous accreditation model with collection and review of annual data from each program. All programs, with the exception of applications and very newly-accredited programs, will have a scheduled self-study visit every 10 years. In addition, programs may have focused or diagnostic site visits, if the annual data submission suggests a potential problem.
- ⁹ Combined program approved by the American Boards of Internal Medicine and of Psychiatry and Neurology. Each specialty is separately accredited by ACGME.
- ¹⁰ Reaccreditation is pending official notification, January 2014.

Note: Beginning Fall 2010, Federal Reporting Guidelines required institutions to collect race/ethnicity information in a two question format. Students who answered the first question (Are you Hispanic?) in the affirmative are included in the Hispanic counts but may have reported other race/ethnicities for the second question. Students answering no to the first question were allowed to select one or more race/ethnic categories in the second question. A new category, Native Hawaiian/Pacific Islander, was included in the second question selection.

Beginning Fall 2008, the IPEDS Fall Enrollment Survey, Part F, calculates student to faculty ratio. The FTE student and faculty counts are based on full-time head count plus part-time head count divided by 3. The student FTE is not calculated using credit hours. Faculty counts come from the IPEDS EAP and HR surveys. Faculty includes tenured, tenure-track, lecturers, and other faculty. Graduate Teaching Assistants (GTAs) are excluded.

Common Data Set Definitions (Fall 2002-2007):

Student definition based on counts reported on IPEDS Fall Enrollment survey. Part-time students are divided by 3, medical students are excluded.

Faculty definition uses ranks of professor, associate, assistant, and instructor as reported to American Association of University Professors. This excludes lecturers, graduate teaching assistants, clinical medicine faculty, librarians, and administrators. Part-time faculty are divided by 3.

Note: The Horwitz Prize was established in 1967 by Columbia University and is the university's top honor for achievement in biological and biochemistry research. The purpose of the prize is to honor a scientific investigator, or group of investigators, whose contributions to knowledge in either of these fields are deemed worthy of special recognition. The prize is widely considered to be a precursor to the Nobel Prize. Of the 87 Horwitz Prize winners to date, 42 have gone on to receive Nobels.

Note: The Presidential Early Career Award (PECASE) was established in 1996 by President Clinton. Several federal departments and agencies annually nominate the most meritorious young scientists and engineers. Award winners are selected on the basis of two criteria: pursuit of innovative research at the frontiers of science and technology and a commitment to community service as demonstrated through scientific leadership, public education, or community outreach. Winning scientists and engineers receive up to a five-year research grant to further their study.

Note: The Leading Light Award began in FY 2012 to recognize principal investigators who have a research award totaling \$1 million or more. The research award must be active the prior year and the source of funds external to KU. The award can be for any purpose, e.g. research, training, scholarships, etc. Beginning FY 2013 the awards include co-principle investigators.

* Data include Lawrence Campus, KU Center for Research, KU Athletic Corporation, KU Union, and Eliminations.

** Data include KUMC Campus, KUMC Research Institute, KUMC Student Union corporation, and Kansas University Health Partners; due to corporate bylaw changes made in FY 2008 to the corporate structure of KU Physicians, Inc. (KUPI), the entity no longer qualifies as a blended component unit of the University.

The above FY 2013 Annual Financial Report (AFR) of the University of Kansas reflects KU fiscal year revenue and expense data which have been prepared and presented according to Generally Accepted Accounting Principles (GAAP), which were established by the Financial Accounting Standards Board (FASB). The AFR uses the accrual basis of accounting, and is sufficiently different from the cash basis of accounting used by the Regents universities budget offices to make the financial data from these two sources noncomparable.

All other data in this section of *Profiles* reflect the cash basis of accounting which traditionally has been used in the Kansas Regents system and not GAAP.

Definitions:

Per Capita Personal Income - personal income is the sum of wage and salary disbursements, other labor income, proprietor's income with inventory valuation and capital consumption adjustments, personal dividend income, personal interest income, and transfer payments to persons, less personal contributions for social insurance. State per capita personal income is calculated as the personal income of residents of the State divided by the population of the State as of July 1.

Median income, four-person family - a group of four people, one of whom is the householder, related by birth, marriage, or adoption and residing together. Median income is the amount which divides all household income totals into equal groups, half having incomes above the median, half having incomes below the median.

* Bureau of Economic Analysis (BEA) released comprehensive revised estimates of per capita personal income for 1969-2002 in April 2004.

- ¹ Classified base increase 5.5% if monthly salary more than \$500; if less, \$30 per month.
- ² Classified base increase 5.0% plus \$25.
- ³ Classified base increase 2.8% plus \$15.
- ⁴ Classified base increase 3.0% or \$25, whichever is less.
- ⁵ Classified base increase 7.25% to a maximum of \$125.
- ⁶ Classified base increase 4.0% plus \$26.
- ⁷ NA - not applicable, university under new pay plan.
- ⁸ Increases delayed until January 1984 so "annual" increase amounted to 2.25%.
- ⁹ Classified base increase 5.0% plus \$204.
- ¹⁰ There was an increase in the state of Kansas contribution to the unclassified retirement programs from 5% to 6% of salary.
- ¹¹ There was an increase in the state of Kansas contribution to the unclassified retirement programs from 6% to 7% of salary.
- ¹² Increase delayed by the Legislature until January 1988 so "annual" increase amounted to half the listed amount. Additionally, there was an increase in the state of Kansas contribution to the unclassified retirement programs from 7% to 8% of salary.
- ¹³ 1.0% of OOE increase was one-time only.
- ¹⁴ 7.3% increase was 5.0% merit and 2.3% Margin of Excellence.
- ¹⁵ 7.55% increase was 5.0% merit and 2.55% Margin of Excellence.
- ¹⁶ 4.0% increase for unclassified and 2.75% for OOE were first approved by the Legislature then a 1.75% roll back in all General Fund appropriations was approved. KU allocated the net new money as 2.7% for salaries and 1.75% for OOE.
- ¹⁷ In August 1991, the Governor implemented a 1% State General Fund reduction. This action lowered the KU base, and funds from sources throughout the University were used to cover the reduction.
- ¹⁸ 1% unclassified, 1% classified base increase, and 1% student help delayed by the Legislature until January 1993 so "annual" increase amounted to 3.0%.
- ¹⁹ Due to a 1% State General Fund reduction (approximately \$1 million) imposed by the Legislature, only 2.5% of the 4.0% OOE base increase was allocated. The remaining 1.5% of the base increase plus additional funds from the units (approximately \$700,000) were used to cover this reduction.
- ²⁰ Additionally, there was an increase in the state of Kansas contribution to the unclassified retirement programs from 8% to 8.5% of salary, together with requiring an additional employee contribution from 5% to 5.5% of salary.
- ²¹ 1.5% of the 4.0% was delayed by the Legislature until mid-September. An additional \$1.9 million, which equaled 2.5%, was appropriated for ranked faculty merit pool.
- ²² 1.5% increase was delayed by the Legislature until mid-September.
- ²³ 3.5% increase was delayed by University policy until January 1996 so "annual" increase amounted to 1.75%.
- ²⁴ 3.5% passed by the Legislature. 1.75% allocated to units by University policy, balance allocated to University Libraries to meet student help needs.
- ²⁵ 2.5% increase was delayed by the Legislature until January 1997 so "annual" increase amounted to 1.25%.
- ²⁶ The 4.8% increase is comprised of two components: 1) appropriation of 3.5% merit, 2) faculty salary enhancements of 1.3% (KU received \$889,500 of the \$3.4 million appropriated to the Regents for these enhancements.)
- ²⁷ The 5.9% increase is comprised of two components: 1) appropriation of 2.5% merit, 2) faculty salary enhancements of 3.4% (KU received \$2,261,267 of the \$8.4 million appropriated to the Regents for these enhancements.)
- ²⁸ The 6.0% increase is comprised of two components: 1) appropriation of 3.0% merit, of which 1.5% was delayed by the Legislature for 4 ½ months for 9 month faculty, and 6 months for 12 month faculty; 2) faculty salary enhancements of 3.0% (KU received \$2,378,777 of the \$8.4 million appropriated to the Regents for these enhancements.)
- ²⁹ Of the 3.0% increase, 1.5% was effective the beginning of the fiscal year and the remaining 1.5% was delayed by the Legislature until mid-December.
- ³⁰ Graduate teaching assistants new contract included a 10% increase to the merit salary pool for each of three years.

- ³¹ 1.5% salary increases were delayed by the Legislature until mid-August. Additional tuition enhancement funds were allocated to raise continuing faculty and unclassified nonfaculty salary increases to approximately 3.0%. The student salary base was increased by \$300,000. A major change in state funding support for Kansas universities occurred in 2001. The university is now funded by a block grant with full tuition ownership, all paid tuition remains at KU. The Board of Regents required each university to develop a five-year tuition strategy. For KU's five year tuition enhancement plan KU chose to hire 100 more faculty, increase compensation for GTAs, GRAs, and student hourly employees, direct millions to financial aid and technology improvements, academic departments and other operating needs.
- ³² Due to timing of tuition increase approved by Board of Regents, salary increases were delayed until beginning of third pay period, July 4, 2004. Funding sources of merit increase funds: 3.0% - state appropriations and 2% - tuition enhancement funds. An additional 1.0% for tenure/tenure-track faculty from S.B. 345 faculty salary enhancement funds - KU received \$956,417 of the \$3,333,426 appropriated to the Regents for these enhancements.
- ³³ Cost of Living effective at the beginning of the fiscal year.
- ³⁴ Plus an additional 7% (for a total of 10%) for GTA pools - consistent with the contract.
- ³⁵ Tuition enhancement funds are used for technology, department other operating expenditures, faculty startup funds, library, and classroom improvements.
- ³⁶ On July 3, 2005 employees in the Classified Service were moved to a new employee category - University Support Staff (USS). This transition was part of a multi-year process which included an on-campus vote of those in the Classified Service, Legislative Authorization, and approval by the Board of Regents. The major differences between Classified and USS are a) pay rates are no longer linked to a matrix; and b) part of the salary increases will be merit-based. FY 2006 pay rate increases included (1) while the employees remained in the Classified Service, a 1.25% COLA beginning with the first pay period; 2) additional funds to provide a COLA totaling 3% (from the FY 2005 pay matrix) - which was made effective on July 3, 2005 upon conversion into USS; and 3) an additional pool of funds to be used for the merit-based component; sufficient funding was allowed to provide an additional 1.5% increase (average) to be effective with the pay period beginning September 11, 2005.
- ³⁷ Due to timing of tuition increase approved by Board of Regents, salary increases delayed until July 3, 2005, beginning of the third pay period. Funding sources of merit increase funds: 2.5% state appropriations or tuition maintenance increases; 2.0% tuition enhancement funds. An additional 1.0% for tenure/tenure track faculty from faculty salary enhancement funds - KU received \$978,260 of the \$3,333,426 appropriated to the Regents for these enhancements.
- ³⁸ Allocations for student hourly increased by 2.5% for the FY 2006 working budget. Since the GTA contract will be renegotiated during Fall 2005, GTA allocations were not increased for the FY 2006 working budget.
- ³⁹ Additional OOE allocations (from tuition enhancement funds) to be made during FY 2006.
- ⁴⁰ Salary increases were effective at the beginning of the fiscal year, pay period beginning June 18, 2006. Funding sources of merit increase funds: 2.5% state appropriations and/or tuition maintenance increases; 2.0% tuition enhancement funds. An additional 1.0% for tenure/tenure track faculty from faculty salary enhancement funds - KU received \$1,004,855 of the \$3,333,426 appropriated to the Regents for these enhancements.
- ⁴¹ USS salary increases came from state appropriations and/or tuition maintenance and consisted of two components 1) 3% across the board for all eligible staff members; 2) 1.5% merit pool. Salary increases were effective at the beginning of the fiscal year, pay period beginning June 18, 2006.
- ⁴² \$250,000 of general use funds (tuition enhancement monies) was allocated to permanently fund a 50 cent increase in the student hourly wage (to \$6.50 per hour), effective on August 28, 2005. Since the GTA contract has not been finalized, GTA allocations were not increased for the FY 2007 working budget.
- ⁴³ Tuition enhancement funds were allocated for technology, classroom improvements, faculty startup, faculty travel, miscellaneous program support, renovation reserve, and miscellaneous departmental OOE.
- ⁴⁴ FY 2008 salary increases were effective at the beginning of the fiscal year, pay period beginning June 17, 2007.
- ⁴⁵ USS salary increases consisted of two components: 3% across the board for all eligible staff members and 1.5% merit pool. FY 2008 salary increases were effective at the beginning of the fiscal year, pay period beginning June 17, 2007.
- ⁴⁶ GTA pools increased by 17.4% - the net impact of compounding a 5.5% increase for three years - FY 2006, FY 2007, and FY 2008. Student hourly pools increased by 4.0%, sufficient funding to increase the student hourly minimum wage from \$7.00 per hour to \$7.25 per hour at the beginning of FY 2008.

- ⁴⁷ Net increase to OOE budgets was 2.5%: GU funds \$307,229 added to units plus reallocated savings available from a reduction in telephone charges.
- ⁴⁸ OOE increases to all units -\$307,229; Student Success Initiatives -\$169,480; International Programs, Global Awareness and Study Abroad - \$50,300; College Honors Program - \$45,000; Center for Service Learning, Environmental Sustainability Center, IDS - \$39,202.
- ⁴⁹ FY 2009 salary increases were effective at the beginning of the fiscal year, pay period beginning June 15, 2008. Academic year faculty salary increases were effective with pay period beginning August 18, 2008.
- ⁵⁰ USS salary increases consisted of two components: 2% across the board for all eligible staff members and 1% merit pool. FY 2009 salary increases were effective at the beginning of the fiscal year, pay period beginning June 15, 2008.
- ⁵¹ GTA pools increased by 3%. Student hourly pools increased by 3.5%, sufficient funding to increase the student hourly minimum wage from \$7.25 per hour to \$7.50 per hour effective July 27, 2008.
- ⁵² Tuition enhancement funds for OOE enhancements fully allocated. No additional funds allocated for FY 2009.
- ⁵³ During FY 2009, the State General Fund appropriation for operating funds was reduced by a total of \$9,480,870 from the original amount approved by the 2008 Legislature. This amount included an across the board reduction of 3% (November 2008) and an additional 1.25% (January 2009.) The across-the-board reductions totaled \$6,539,069. The remaining portion of the reduction came from a moratorium in Health Insurance and Death & Disability premiums paid. Coverage for all eligible employees continued, but the savings were returned to the State. In addition to the amounts specified above, the line-item appropriation for the School of Pharmacy Expansion planning was reduced by \$42,500 (4.25%).
- ⁵⁴ The State General Fund appropriation established by the 2009 Legislature shows a net reduction of \$15,140,112 from the original amount approved by the 2008 Legislature for FY 2009. This amount includes \$349,073 attributed to a moratorium on Death & Disability premiums paid in the first five months of FY 2010. Coverage for all eligible employees continues, but the savings were returned to the State. The balance of the reduction calculates as a 9.6% reduction to operating funds within the State General Fund appropriation. As of July 2, 2009, subsequent to the beginning of FY 2010, the Governor imposed a budget allotment thereby decreasing appropriation amounts by an additional 2%. In November 2009, the Governor imposed further statewide spending reductions resulting in the Lawrence campus State appropriation being cut by an additional \$364,262.
- ⁵⁵ The State General Fund appropriation set by the 2010 Legislature for FY 2011, excluding School of Pharmacy debt service, shows a reduction of \$3,334,826 from the original amount approved by the 2009 Legislature for FY 2010. This amount includes \$179,658 attributed to a moratorium on Death & Disability premiums for the last six pay periods of FY 2011. Coverage for all eligible employees continues, but the savings are returned to the State. The balance of the reduction calculates as a 2.4% reduction to operating funds within the State General Fund appropriation.
- ⁵⁶ Salary increases were not made effective at the beginning of the fiscal year. However, the university provided an annualized 2% merit pool effective mid-year for faculty and unclassified non-faculty staff. For USS, the pool consisted of \$500 per FTE across-the-board with the balance of the funds available in a merit pool of 0.5%. Two percent adjustments were also made to GTA, GRA, and student hourly pools. As there were no additional state funds, the salary increases were funded using monies generated from the FY 2012 tuition rate increase.
- Overview of State General Fund - FY 2012. The Governor's original recommendation for FY 2012 State General Fund was a continuation of the previous year's appropriation plus restoration of the Death and Disability moratorium. However, because the State revenue shortfalls and the need to replace discontinued federal stimulus funding in some agencies, the Legislature reduced SGF expenditures by imposing an across the board reduction in SGF of 1.193% and enacted other targeted reductions in certain types of expenditures. Specific reductions included a 5% reduction in information technology expenditures, a 20% reduction in cell phone expenditures, and reductions for office supplies and bottled water. Similar to FY 2011, there will be a moratorium in the payment of Death and Disability insurance premiums for the last six pay periods in FY 2012. But unlike last year, special revenue savings resulting from the moratorium will not be swept by the state. As has been the case for the past several years, there is no operating grant adjustment from the Board of Regents for FY 2012.

- ⁵⁷ The FY 2013 Tuition Proposal allowed for a 2% pool for salary increases. These salary increases were effective at the beginning of the fiscal year (or academic year for individuals not on a fiscal year contract) for all non-Union personnel. Overview of the State General Fund -FY 2013. The Governor's original recommendation for FY 2013 State General Fund was a continuation of the previous year's appropriation plus \$3.0 million to hire professors of the highest status to increase the university's rankings nationally and internationally. Similar to last year, the 2012 Legislature decided to impose a moratorium in the payment of Death and Disability insurance premiums for the last six pay periods in FY 2013. Like last year, special revenue savings resulting from the moratorium will not be swept by the state. As has been the case for the past several years, there is no operating grant adjustment from the Board of Regents for FY 2013. During FY 2013 KU offered a voluntary separation incentive program (VSIP) to faculty and staff age 62 and older. Ninety-seven personnel accepted the offer - 11 faculty, 20 unclassified professional staff, and 66 university support staff.
- ⁵⁸ Salary increases were not made effective at the beginning of the fiscal year. The university provided an annualized two percent merit pool effective mid-year for faculty (01/01/2014) and unclassified nonfaculty staff (01/05/2014). For USS, the pool consisted of 1.33% across-the-board with the balance of the funds available in a merit pool of 0.67%. Two percent adjustments were also made to GTA, GRA, and student hourly pools. During the 2013 legislative session, reductions totaling \$3.3 million were made a) to accomplish a 1.5% State General Fund reduction of \$2,055,690; and b) for an amount of \$1,308,500 labeled as a "salary sweep." As there were no additional state funds, the salary increases were funded using monies generated from the FY 2014 tuition rate increase. In addition to the merit increases, the university undertook a **Classification and Market Study**. The study is being conducted in order to better recruit, retain, and develop quality staff. The study is reviewing and redesigning, where applicable, our current employee classification and compensation system for the Lawrence and Edwards campuses. The study is for nonfaculty staff only; faculty, academic staff, and student employees will not be included. The university partnered with CBIZ Human Capital Services to conduct the analysis. Phase I included 1,432 positions in Administrative Support; Facilities Planning, Design, and Operations; (Central) Information Technology; Library Services; and Public Safety and was implemented with the pay period beginning November 10, 2013. Phase II includes Advising, Career, and Student Services; Educational Support and Delivery; Food Service and Dietary; Healthcare; Museum and Arts; Public Affairs; Publishing; TV, Radio and Video Production. Implementation is planned in March 2014. Phases III and IV are expected to be completed by February 2015. The goals of the study are to: 1) develop and define KU's compensation philosophy; 2) develop an equitable, consistent, and competitive classification and compensation plan; 3) ensure the plan supports sound principles of compensation design; 4) create consistent titling, clearer career paths, and recognizable differences between the jobs; 5) ensure internal equity between positions; and 6) achieve a competitive pay relationship with the market.

TUITION AND FEES — UNIVERSITY SUMMARY
ACADEMIC YEAR 2014

Beginning Fall 2007, entering first-time freshmen enroll under the four-year Tuition Compact. The compact fixes tuition rates for four years and sets course fees and required campus fees in a four-year schedule. All other undergraduate (primarily transfer students) and graduate students pay the standard tuition rate.

KU ranks 30th of 34.

* Texas charges flat rate tuition for all undergraduate students and those rates vary by college. Flat rates cover academic program costs including tuition, mandatory fees and charges, and college and course fees not previously included when reporting tuition and mandatory fees. Undergraduate rates are based on the average academic year cost for an undergraduate student taking exactly 15 semester credit hours per semester.

* Beginning in October 1989, ACT test scores are reported using the enhanced format. The enhanced scores are not directly comparable with the prior scores. The composite score for Fall 1989 (tests given prior to October 1989) is shown in both formats for comparison.

** Students admitted to the University of Kansas may provide SAT scores and/or ACT scores. Therefore, beginning with the Fall 1995 class, SAT scores are converted to ACT equivalents and included in the calculation of the ACT mean.

¹ First-time freshmen are defined as first time in college anywhere, U.S. resident, and took ACT within previous two years.

² First-time freshmen means first time in college anywhere, or prior spring's high school graduate with some college credit.

³ Beginning in 1987 KU data were used, not the ACT Profile.

⁴ Converted SAT scores are included in the calculation of the ACT mean beginning with the Fall 1995 class.

Notes: Thirty-two students are awarded Rhodes Scholarships each year. Scholarships are allocated in a regional grouping scheme, so the chance of winning a scholarship varies by state. Kansas is in District 12 with Arkansas, Mississippi, Missouri, and South Carolina for 2013. There are 16 districts, each with two scholarships. Institution comparisons are difficult as universities in states with fewer institutions offer a better chance for selection. Applicants have always been eligible to apply either in their state of residence or the state where they attend college. The award is personal, choosing the strongest two applicants in each district, regardless of the institution they attend.

TABLE 11-101
DEFINITIONS

AAU - Association of American Universities. The University of Kansas is a member of this prestigious group of sixty-two private and public institutions in the U.S. and Canada.

AAUDE - Association of American Universities Data Exchange organization.

ACT - American College Testing (ACT) Program, admissions test accepted by KU.

Academic Year (AY) - Fall and following Spring semesters.

Assignable Square Feet (ASF) - The sum of all areas on all floors of a building assigned to, or available for assignment to, an occupant or specific use. Areas defined as building service (custodial, restrooms, etc.), circulation (public corridors, elevators, stairs), mechanical, and structural are excluded.

Attrition - First-time full-time freshmen students who are not enrolled for subsequent fall terms relative to their initial fall semester at KU. The non-enrollment may be a result of dropping out, transferring to another institution, or delaying degree completion for various reasons. Enrollment status is as of the 20th day of classes. Full-time status is based on enrollment of 12 or more hours during the initial semester.

Auxiliary - An auxiliary enterprise furnishes a service directly or indirectly to students, faculty, or staff, and charges a fee related to, but not necessarily equal to, the cost of services. Auxiliary funds include health service, housing system revenue, and parking fees.

CIP - Classification of Instructional Programs. CIP is a taxonomy for instructional programs. It is used in all National Center for Education Statistics (NCES) surveys and is the accepted government standard for education information surveys.

Classified Personnel - Classified employees are subject to the State of Kansas Civil Service Program. July 3, 2005 KU's Classified employees were moved to a new employee category - University Support Staff.

Educational and General - The budget of the university is composed of eight major categories of activities. The educational program includes Instruction, Academic Support, Student Services, and Institutional Support. The general component includes Physical Plant, Research, Public Service, and Scholarship/Fellowship.

Educational Program - includes Instruction, Academic Support, Student Services, and Institutional Support.

First-time Freshmen - Includes students from the following categories: an entering freshman who has never attended any college; students enrolled in the fall term who attended college for the first time in the prior summer term; and students who entered with advanced standing (college credits earned before graduation from high school).

Fiscal Year (FY) - July 1 through June 30 of the following year.

FTE Faculty and Staff - FTE (full-time equivalent) reflects the percent of time appointed to a position in the university. For example, 100% payroll appointment equals 1.0 FTE. 50% payroll appointment equals .5 FTE.

FTE Students - FTE (full-time equivalent) students is based on student credit hours (SCH) divided by the following divisors: undergraduate SCH by 15, graduate SCH by 9, professional by 12.

(continued)

TABLE 11-101 (continued)
DEFINITIONS

Full-time/Part-time Students - Undergraduate students who take 12 or more credit hours are full time. Graduate students taking 9 or more credit hours or involved in thesis or dissertation preparation, and professional students taking 12 or more credit hours are full time. This is the definition used in reporting information to the U.S. Department of Education.

General Fees - Tuition (fund 099) and program specific per credit hour course fees collected from students:

- Architecture (fund 095)
- Arts (089)
- Business (096)
- Education (093)
- Engineering equipment fees (094)
- Music (092)
- Journalism (091)
- Law School (098)
- PharmD program (097)
- Social Welfare (090)

Required campus fees are restricted use and not included under General Fees.

General Fund - State appropriations.

General Use - General Use refers to university funding sources and includes state appropriations, student tuition, program specific course fees, and interest.

Gross Square Feet (GSF) - The sum of all areas on all floors of a building included within the outside faces of its exterior walls. Light wells, or portions of upper floors eliminated by rooms or lobbies that rise above single-floor ceiling height are excluded.

Head Count - Count of individuals (e.g., students, staff, faculty).

HEPI - Higher Education Price Index.

H.O.P.E. - Honor for the Outstanding Progressive Educator (H.O.P.E.)--an award presented annually to a KU faculty member by the Senior Class.

Housestaff - Medical residents at the KU Medical Center.

IPEDS - Integrated Postsecondary Education Data Systems. IPEDS is a group of web based surveys designed to collect data from all primary providers of postsecondary education. IPEDS is a major component of the postsecondary education data collection program in the U.S. Department of Education's National Center for Education Statistics (NCES).

ISEP - International Student Exchange Program. A network of over 300 colleges and universities in 50 countries cooperating to provide affordable study abroad experiences for students.

KLETC - Kansas Law Enforcement Training Center located in Hutchinson, Kansas.

KU - University of Kansas nickname.

KUCR -The KU Center for Research is the authorized office for the submission and negotiation of proposals for external research support on the Lawrence campus, and for administering the financial side of research awards.

(continued)

TABLE 11-101 (concluded)
DEFINITIONS

KUMC - University of Kansas Medical Center nickname. On October 1, 1998 the Hospital became an independent hospital authority, separate from the Medical Center.

Legacy - Students have had at least one parent, step-parent, legal guardian, grandparent, or step-grandparent who graduated from KU with a bachelor's, master's, first professional (law, medicine or pharmacy), or doctoral degree.

Midwest - Comparison group including public members of the original Big Twelve athletic conference.

NCES - National Center for Education Statistics.

Off campus - Student is enrolled solely in credit courses taught at locations other than the Lawrence campus.

On campus - Student is enrolled in at least one credit course taught on the Lawrence campus.

Other Operating Expenditures (OOE) - Expenditures for supplies, books, equipment; includes all operating nonsalary-related expenditures.

Restricted Use - Restricted current funds are those available for financing operations but the use is dependent upon the conditions under which the funds were received. For example, federal grant funds are restricted and are expended only for the purpose for which they were awarded. The campus fee is another example of restricted use funds.

Retention - First-time full-time freshmen students who continue to be enrolled for subsequent fall terms relative to their initial fall semester at KU. Enrollment status is as of the 20th day of classes. Full-time status is based on enrollment of 12 or more hours during the initial semester.

SAT - Scholastic Aptitude Test, admissions test accepted by KU.

Service Clearing - A service department provides a specific type of service to various institutional departments rather than to individuals and is supported by internal charges to the user department's operating budget. At KU, the usage of the service clearing fund is limited by state statute and Board of Regents authorization. Departments which may use the service clearing fund include the university motor pool, computer service, and telecommunications.

State Appropriations - State general fund.

State General Fund - State appropriations.

Tuition - general fees (fund 099) collected from students. Does not include course fees.

Unclassified Personnel - University employees who are not subject to the State of Kansas Civil Service Program.

University Support Staff - July 3, 2005 employees in the Classified Service were moved to a new category. The main differences between Classified and USS are a) pay rates are no longer linked to a matrix; and b) part of the salary increases will be merit-based.

20th Day - The 20th day of classes when official enrollment counts are taken, known as the census date.
