All Undergraduates GPA excludes the Applied English Center and non-degree seeking students. Graduate GPA excludes the School of Law with the exception of the MS program in Homeland Security. All other programs in the School of Law are included in the Law GPA. Pharmacy 5th & 6th year students are included in the Undergraduate GPA for the School of Pharmacy but are included in the Graduate GPA for the university overall. During the Fall 2020 semester, about half of the credit hours students enrolled in were conducted via distance learning due to the COVID-19 pandemic. In addition, several schools suspended their credit/no-credit policy to allow students to elect to be graded on a credit/no credit basis in any class.

Research, & Effectiveness

This chart shows retention and graduation rates for first-time, full-time freshmen. Per federal regulations, deceased students, totally and permanently disabled students, and students who left school to serve in the armed forces are excluded. Pell recipients include students receiving both Pell and subsidized direct loans.

This chart along with the chart on the previous tab contain the graduation rate information required to be disclosed under the Higher Education Act of 1965 as amended by the Higher Education Act of 2008 (HEOA – Sec. 488(a)(3)). According to HEOA, graduation rate information must be disaggregated by sex, race/ethnicity, and Pell Grant/Subsidized Direct Loan recipient status.
